Report of the Missions Committee

The Missions Committee of the West Chowan Missionary Baptist Association has tried to achieve two goals. First: This Committee has sought to make the Gospel available to every person within the West Chowan Baptist Association, Second: The Missions Committee has challenged every Church and every individual Christian to participate in the sharing of the Gospel on the local level and to give special attention to the sending forth of the Message of Christ into all the World. With these objectives in mind, we are grateful for the privilege of making the following report.

1. Rest or Nursing Homes. During the past year there has been regular Worship Services held each week at the Roanoke-Chowan Rest Home in Rich Square, sponsored by the Rich Square Baptist Church with its Pastor, Fred King until his resignation, then laymen served.

Potecasi—Pine Forest Rest Home. Sponsored by Potecasi Baptist Church and the Ashley's Grove Church.

PRISON WORK

1. Odom: Worship Services were held each Sunday during the past year under the direction of Dolphon Thompson. There has been many counseled

with and many decisions have been made.

2. Union Worship Services were held each Sunday morning during the year at Union Prison, a Camp which was primarily used for teen-age offenders. This now has been changed. There are Bible Classes taught by Ahoskie Baptist Church, and Services rendered by Rev. Gwyn Sullivan, Rev. Bob Lee, Pastor of Creech Memorial; Rev. Rumfelt, Pastor of St. John and Holly Grove Baptist Churches. There have been many professions of Faith and many counseled with.

3. Windsor: Brother J. N. Baggett a layman from the Siloam Baptist Church continues to conduct services each Sunday morning at the Windsor Prison. His experiences have been rewarding and gratifing. There have been a few men announcing the call to the Ministry during these services. There has been a wonderful response from the Churches in sending Bibles and money for Bibles to be distributed to the prisoners.

The Missions Committee wishes to thank all Pastors, Laymen and Churches for the wonderful Spirit of cooperation you have given our efforts during this past year. There were 250 services conducted by these men. We ask that you continue to Pray that God will Bless and use the dedicated Christians of the West Chowan Association in ever greater and more effective manner this year and in all the years to come.

Respectfully Submitted,

Walter F. Hill

All efforts are being made for the Schools of Missions in March to be in every church. We hope your church will encourage others to join in this Great Effort. We must if this is to be a success.

Report of Evangelism Committee

The Evangelism Committee had high hopes, when it began its work on Evangelism last year. Even though all the goals were not reached, the Committee feels that much good was done through its program. We believe that seeds have been planted in some lives that will bring forth fruit some day.

It is encouraging to know that some of the churches in our association had very good revivals, even though the total number of additions were not in hand at the time this report was written. We hope that many souls were saved, and that Christians have been revived. In addition to what was done in revivals, pastors have preached the gospel throughout the year, trying to reach people for Jesus Christ, and to strengthen our churches.

The Evangelism Committee decided that it would plan for two very important meetings during the year, one in the Spring, and the other in the Fall. It planned to show a Christian movie in March, and to have a one-day Evangelistic Conference in September.

To promote the meetings, the Committee felt that other Committees were needed, so the following were appointed: a Prayer Committee, Finance Committee, Ushers Committee, Music Committee, Publicity Committee, Entertainment Committee, and a Counsellor Committee.

These committees began to work and on March 24th one of Billy Graham's Movies, "The Heart Is A Rebel," was shown in the First Baptist Church, Ahoskie, with about seven hundred people attending.

The Fall Evangelistic Conference was also held at the First Baptist Chucrh, Ahoskie, but the crowds were not as large. There were services in the morning, afternoon, and evening. Charles Howard and Jimmy Johnson brought some wonderful messages. Herman Orr, Paul Weaver, and Carroll Hamilton gave Devotions, and Bob Dills and John Deans were in charge of the music.

It was a good day, and people who attended the services expressed them-

selves as having received great Spiritual Blessing.

In view of what people have said about the Spring and Fall Evangelistic meetings and because of our Spiritual needs, we plan to follow the same pattern this year.

A Christian movie will be shown on April 10th and 11th, and the Evangelistic Conference will be held on October 3rd, 1967. Please keep these dates open and plan to attend these services.

Thanks to all who worked with me in these things last year.

Respectfully submitted,
Harvey L. Coppedge, Chairman

Motion to adopt. Carried.

Report of the Stewardship Committee

As I attempt to survey the progress of Stewardship in the West Chowan Association, I find it almost impossible since very few letters have been received by our Clerk.

Rll of us can very easily see that we are not only growing in stature but also in favor with God and man.

Almost every Church has improved some during the years. Many of our churches are building educational buildings, painting, adding new pews, improving heating and doing many things to make the Lord's House a better place to worship.

Our College and others are filled to the capacity throughout the state.

Our churches have improved in giving to all good causes at home and abroad. They are adding new members and rededications are in our churches almost every Sunday.

We must say as Jacob of old "Surely the Lord is in this place, and I knew it not."

Our people have also seemed to say with Christ "Wist ye not that I must be about my Father's business."

Now as we realize all the good work we have done during the past year is now history. We must take a glimpse into the future. We must "Lengthen thy cords and strengthen thy stakes" and realize the harvest truly is plentious but the laborers are few.

It is the desire of our Stewardship Committee that each of you not only tithe your money and resources to God, but that you tithe your time to the great cause of Christ during the New Year. If any of you have buried your talents, dig them up and put them into exchange. So that when your Lord returneth, He will find you faithful.

Respectfully submitted,
William M. Futrell

Report of the Promotion Committee

The Promotion Committee is composed of twenty-one members located in various churches in the three counties of our Association. Due largely to the size of this committee and the problem of having to travel a long distance to get this committee together, we have not met as a group this year.

Each member of this committee represents an organization that is promoted by our Association. Each member of the committee has individually promoted the organization that he represents. Other associational promotion has been carried on by our Secretary of Promotion, Mr. Henry Stough.

Respectfully submitted,
William M. Futrell

Motion. Carried.

Report of the Secretary of Promotion

This past year has been a memorable one for your Secretary of Promotion, for in addition to the responsibility of serving the West Chowan Association with the 60 cooperating churches, it was our great privilege to represent the Association in the country of Ghana in West Africa.

Due to the planning of the Missions Committee, the enthusiastic approval of the Executive Committee, and the generous gifts from most of our churches, it was possible for Mrs. Stough and me to visit much of our mission work in Nigeria, Liberia, and Ghana. In Ghana we aprticipated in the "New Life For You" Crusade which resulted in 3,515 decisions for Christ. During our stay there we taught in the Baptist Seminary in Abuakwa for a week; preached and witnessed in northern Ghana in the many villages around Nalerigu, and then helped for three weeks in Kumasi as we witnessed, taught, preached and prayed during the Crusade. We were able to go to many villages where the Gospel was unknown, and we had the joy of seeing many African find Christ as their Saviour. We conducted chapel services at our hospital in Nalerigu where we Baptists have a healing as well as a soul-winning ministry.

We are very grateful for the prayers, concern and gifts that made our trip possible, and we want you to feel that you had a definite part in our ministry in Africa.

Since our return we have reported about our trip to most of the churches in our Association, as well as in many other churches and meetings outside our Association, such as the Intermediate Girls Auxiliary Queens Court at Meredith College, the South Roanoke Associational Meeting, the Associational Brotherhood Meeting in Greensboro, the Junior Girls Auxiliary Week at Fruitland, and the World Missions Week at the Ft. Caswell Assembly. We also helped in the Girls Auxiliary Camp at Chowan College, where we served as pastor and "missionary." We have also presented mission work in Africa before High School and Grammar School groups, and Civic Clubs as the Rotary, Kiwanis and Woman's Clubs.

During the past year in the Association we have promoted every phase of our Baptist Work, including the Sunday School, Training Union, Brotherhood, Evangelism and Stewardship, and have spoken in over 40 churches. During the year we have visited or spoken in 51 of our churches where we have been invited, not counting the other 20 times that Mrs. Stough and I presented Foreign Mission Work last fall in which meetings there were 58 churches

represented.

We have taught classes, assisted church leaders, and promoted such plans as the "Five Year Spiritual Growth Program," "The Life and Work Curriculum," "The Sunday School Enlargement Campaign, and the new organizational plans of the Training Union and the Brotherhood. We have also assisted in three ordination services for deacons, and met with several pulpit committees who were searching for a pastor.

We also had about 317 conferences with individuals, 87 group conferences, and have met with 42 committees during the year. Much of our work is of an advisory nature, making suggestions and plans for the success of the ministry of the pastors, deacons, or other members of the churches.

Over 9,154 monthly bulletins were sent out as well as many tracts and booklets, and we have traveled over 21,614 miles to carry on our ministry in the Lord's name and representing you.

Our Association is a fellowship of churches whereby we seek to help one another and to work together so that we may do more for the Lord. It is for this purpose that we are serving in this Association, and we hope that more and more of the churches will continue to call upon us, so that we may serve you and the Lord more faithfully and fruitfully.

In His name,
Henry W. Stough

Cooperative Program Report

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the farm corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $172,751.00 this past year through all missions.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and

give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.

3. That the churches give regularly through the Cooperative Program.

Report of Committee on Study of Pastors' Salaries

RECOMMENDATIONS

(1) With the trend of todays population moving from rural areas to the urban areas there are many churches in our association with declining membership and with the prospect of still a further decline in the future, it is the opinion of this committee that when the membership of any church drops below 200 the church should take immediate steps to join in a field so as to enable them to adequately finance a church program that would be acceptable to the citizenry of this area.

(2) That a minimum of $6,000.00 salary be paid ministers of our association. We suggest the following salary guide.

Membership	Salary
- 200	$ 6,000.00 -
201 - 400	6,000.00 - 7,500.00
401 - 500	7,500.00 - 8,500.00
501 - 650	8,500.00 - 9,500.00

(3) In addition to salary the minister should be provided expense to attend conventions and schools to keep them abreast with new techniques and teachings.

(4) Annual increases should be granted. The committee suggest that the amount should be left to the judgment of each church—however with today's increase in living cost this should not be less than required to off set this increase.

(5) Travel expense should be allowed each minister according to the actual amount required to meet the necessary travel expected of him. We suggest a minimum of $600.00 per year.

(6) The committee believes that the laity has a moral and spiritual obligation to provide adequate support for the men of God who serve our Churches—we hasten to say that a minister has a similar moral and spiritual obligation to serve in the Lord's work on a basis reasonable of adequate support.

(7) The committee feels strongly that we have outgrown the practice of providing special benefits for our ministers—considering these to be a part of his salary. Therefore, we suggest that these benefits be given by pledging stronger financial support to our churches.

8() That a special committee be appointed to aid the churches of our association in implementing our recommendations as suggested in this report.

ECONOMIC CONSIDERATION

It should be noted here that this committee did not attempt to make a complete survey of the economic conditions throughout the West Chowan area, however it was necessary to determine to some degree the ability of the people to finance our recommendations.

The West Chowan area is mostly rural and therefore a large part of the income is derived from farming. Farming is a speculative type of business,

thereby the average income varies from year to year. We did, however determine from the records available to us that the average income of those eligible to be members of our association and the present members to be well above $5,000.00 per year.

Machination of farming has caused a large segment of our population through necessity to look to other areas for a livelihood. This accounts for the decline of membership.

It is the opinion of this committee that a church with less than 200 members cannot finance a balanced church program.

Report of the Associational Librarian

We feel we have taken a step forward this year in our church library work. It affords us much pleasure to report the establishment of two new libraries in our Association, one at Askewville and one at Riverside. We thank these pastors for their forward looking planning.

There are now twenty-four churches reporting libraries. Unfortunately some do not have librarians at present but we hope this situation will be remedied.

There are an estimated 6,500 books, 15 film projectors, 6 motion picture projectors and two vertical files reported.

While there is at present no Associational Organization of Church librarians, literature has been received and plans are in the making to bring this about. An organization of this kind will offer assistance to those already in the work and encouragement to others to train for this service. We would appeal to the pastors to keep this work before their churches this year.

North Carolina Baptist Homes Report

The Homes for the Aging is a marvelous part of our ministry. You can be proud if you have had a part in this ministry. In a personal letter from our General Superintendent of N. C. Baptist Homes, Inc., William A. Poole made this all inclusive statement. Quote:

> "You perhaps would like to emphasize the fact that our Baptist Home at Hamilton is dedicated to the purpose of serving the older people in Eastern North Carolina and that, in the majority, those who live in the Hamilton Home are from the surrounding associations. Ninety per cent of those who live in our Homes are financially needy people and are supplemented through the Special Day Offering and our share in the Cooperative Program. The Special Day Offering for the past year was the greatest in the history of the Homes. It is through this offering that we are able to supplement the care of many of the people who live at the Hamilton Home, and we, therefore, feel that ours is a real ministry of love to them.

The gifts from West Chowan Association July '65 to June '66—$1,945.50 (This is from 45 churches.)

Keep up the good work for our aging.

Music Report

The associational music committee sponsored a school of music at the Askewville Church this past January. The school, under the direction of Mr. Alfred Foy, Minister of Music at the Roxboro Baptist Church, had its duration cut in half because of bad weather. Despite the snow, the school proved very beneficial to those who attended for two evenings. Eight churches were represented with an average attendance of sixty-five. Efforts need to be continued within the confines of the local churches to broaden our association's concept of the great music of Christianity and to its proper use in the worship of God.

Report on Baptist Children's Homes

Under the impact of the life, ministry and techings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for pre-school children, conducted on the Mills Home campus, has had an excellent wirst year of operation. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children o ftheir own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Respectfully submitted,
George E. Gibbs

Report of the Brotherhood

During the past year, many of our Brotherhoods have held their monthly meetings, presenting programs and discussions concerning the work of the church. In November, the Brotherhoods of the Association had a supper meeting at the Conway Church, in which the work of missions was presented.

The new organization of the Brotherhood work is greatly simplified, in order to enlist every layman in the church. To accomplish this, every church is asked to elect a "Brotherhood Director," who will be responsible for enlisting men in the mission work of the church. The new groups will be called "Baptist Men's Group" or "Baptist Young Men's Group." The organization will consist of five officers: President, Vice-president, and Secretary, Mission Study Leader and Mission Activities Leader. The whole program s now centered around missions, beginning with the local church and extending to missions around the world.

The "Drector" will also be responsible for organizing Royal Ambassador Groups according to the needs of the church. The Royal Ambassador work has the same organizations with Crusaders, Pioneers and Ambassadors, and every boy should be enrolled in one of these groups, ages 9 through 17.

An Associational Meeting is being planned for Monday, November 21, at

the Aulander church when Bob Shields, State Brotherhood President will come and speak to our pastors and laymen. Every church is urged to send at least one layman to this meeting.

May we remind each church to elect a "Brotherhood Director" whether you have a Brotherhood or not, and this will give us a chance to contact him and encourage him to enlist the laymen of your church in missions.

Training Union Report for 1966

The Training Union of the West Chowan Association promoted the standard activities during the past year of work, including "M" Night, Youth Night, the Annual Tournaments, etc.

The primary burden of this report is to encourage every church of our fellowship to become involved in Christian training, whether it now has a Sunday night Training Union or not.

To train our people so that they will be able to be effective church members, we need to do at least three things:

(1) to train every new member in the meaning of church membership—thus a Director of New Member Orientation;

(2) to train every interested member of the church in more effective service—thus a Director of Membership Training; and

(3) to prepare and train leaders to hold the places of responsible leadership in our cthurches—thus a Director of Leadership Training.

These three key persons may well be the dawning of a new day for Christian training unto maturity in our churches.

James O. Shurling

Sunday School Report 1966

The Sunday School is the most effective and comprehensive organization that our churches have for the undergirding of all of their work. It is not only a teaching ministry but is the churches's most effective outreach for evangelism and ministering to the people wherever their needs are. Our Sunday Schools have most effectively taught our people the true meaning of stewardship. Therefore the pastor or church that is not effectively using his Sunday School is forfeiting his most effective means of getting an effective job done in his church.

It is in the area of the Sunday School that the Association can cooperate most effectively. We need to share ideas and inspire one another as churches in this field. Last year however was only a beginning in this direction. We had leaders from our state convention to conduct conferences on the department level but the attendance and interest was only nominal. In September when we promoted an Associational Pastor Led Sunday School Elargement Campaining, only a few churches and pastors participated. It is the hope of your Sunday School officers that we will see the need of working together in the area of Sunday School work for the mutual benefit of us all.

We did however have one of the best Vacation Bible School clinics in years at the Galatia Church. Severl most effective group schools were held in strategically located churches throughout the association.

It is proposed by our Sunday School leadership that during the coming year we will have at least three Associational Sunday School mass meetings to be held in each county. There is a feeling that we need to get into the churches and bring the officers and teachers of the local churches together for confer-

ences and clinics on better methods and procedures.

In the final analysis it is the responsibility of the pastor and the local church to see that they have the best Sunday School possible, because it is through the Sunday School that souls are won and Christians nourished upon the Word of God. In a real measure it can be said, "As goes the Sunday School so goes the church."

E. Len Weston
Associational Sunday School Superintendent

Progress Report on Chowan College

The 1966-67 academic session marks Chowan College's 118th year in Christian education. Chowan is the second largest two-year college related to the Southern Baptist Convention and the second largest two-year college related to the Southern Baptist Convention and the second largest two-year college in North Carolina. Able to accept a third of applications for admission before college officials had to stop accepting applications in mid-May, Chowan College enrolled 1,234 students for the fall session.

Growing in stature and maturity under the capable and dedicated leadership of Dr. Bruce E. Whitaker, President, Chowan is now recognized as one of the outstanding junior colleges in the South. If Chowan's upward trend in academic excellence is to be maintained, the college must soon add new library-fine arts facilities to the campus scene. These facilities, to shelve 100,000 volumes, contain space for 400 faculty and students in several reading areas and contain space and equipment for music, drama and the fine arts, will cost $800,000.00, equipped. Chowan College is currently engaged in a campaign to raise $2,225,000.00 for necessary expansion by 1973, the year of its 125th anniversary. The college is now in Phase One of this campaign, with donations to be pledged by December 15, and the goal for this Phase set by the Board of Trustees in session September 26 is $500,000. All money derived from this phase of the campaign is to be used for construction of the new Library-Fine Arts Building. We are happy to report the college now has 21,000 volumes in the library.

Chowan College gives students a friendly family atmosphere, individual attention, and academic excellence undergirded by Christian commitment. Support and cooperation from members of churches in the Baptist State Convention of North Carolina is deeply appreciated by all of "the Chowan College Family." Chowan feels very close to the West Chowan Baptist Association, inside whose boundries its campus is located, and college officials deeply appreciate increasing support from these churches. Christian Education offerings to Chowan College by North Carolina churches for the 1965-66 year were $20,299.87, compared to $13,315.96 for the previous year.

Chowan continues to be very dependent upon the interest, prayers and support of our Baptist people.

Report for the American Bible Society

"God's Word for a New Age" is the 1966 theme for the 150th Anniversary of the American Bible Society, truly one of the greatest of all Missionary societies.

During the year 1965 the American Bible Society distributed over 54 million Scripture volumes in more than 400 languages in 149 countries; gave more than 745,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals as a vital link between the home church and our men in service; and still counted **over 1,000 more languages**

in which **not a single book of the Bible** has yet been published.

The current goal, then, "God's Word for a New Age," is to increase total worldwide distribution to 150 million volumes, approximately three times our current distribution. Southern Baptists believe in the Missionary importance of giving to the American Bible Society; in 1965, Southern Baptists churches gave approximately $227,000 and ranked first among all denominations.

The help of every church in our West Chowan association is needed in support of this missionary effort both at home and abroad. We know that many of our churches are contributing annually. If your church is not participating, will you endeavor to participate during this church year. Guidelines as suggested are:

for smaller churches	$10 to $60
for larger churches	$60 to $300

Send your gift to our State Headquarters, marked "for the American Bible Society."

Report of the Baptist Hospital

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Accepted without reading by Rev. Oscar Creech for Isaac Terrell.

Biblical Recorder Report

The Bibical Recorder Report for the past year is similar to that of last year. We still have twelve churches with the Recorder in their budget making it available to 1,169 families and 38 other churches with a small or large number of subscriptions and we still have ten churches with no paid subscriptions. The total subscriptions in the Association, 1,650, have not increased including a club of about 60 subscriptions by Chowan College faculty and staff. The free subscriptions that go to pastors and Sunday School superintendents are not included in this number which would make a total of about 1,750.

North Carolina Baptist face important issues and trends and changing conditions today that call for decisions. The Life and Work Cirriculumn's new Sunday School lessons versus the Uniform Lessons, the future course of higher education and the fate of our Social Service Institutions in view of the increased government participation, the talk of a new Moralty and Death of God Movement and drastic changes of attitude toward the church by young people are all widely discussed as well as a new law for liquor by the drink advocated. The Recorder will be a dependable source of information in these issues and trends that is needed and imperative for any intelligent decisions.

Knowing there is no substitute for the Recorder to keep church members adequately informed and that it is just as important as some other literature distributed by the churches it is incumbent upon pastors and church leaders to make a concerted effort now to secure more subscriptions in those churches with none or only a few, if they want stronger and more cooperative churches because they are better informed.

Under the Church Budget Plan the Recorder is available for $2.00 a year —thesame price it was over 100 years ago. In small clubs it is $2.50 a year. The spiritual mission of our churches demands that the information and inspiration given by the Recorder reaches the majority of members but it will not unless leaders try to make it possible and inspire them with a desire to read and to know and not just subscribe only. No church progresses far with ignorance of State and Southern Convention work. We compare well with other associations but could do much better.

Respectfully submitted,
Mrs. W. D. White

Report of the Historical Committee

Because there were no definite "host churches" assigned this year, your Historical Committee did not write a history of the churches, but instead make this suggestion subject to your approval.

From now on, your Historical Committee will be responsible to write the histories of each host church, and will write this as fully and comprehensively as possible. This will be condensed so that a resume' can be printed in the "Minutes" with a picture of the present church building. The material thus acquired will be kept in our archives until such a time as we will be able to write a history of our West Chowan Baptist Association.

We ask, therefore, that as soon as it is know where the Association will meet, that the host churches will send to us all of the available information, so that we may begin to assemble it and to write the history of the church which will be read at te annual meeting.

If documents or information are sent, which you want to be returned to the church, please designate it as such and the material will be returned.

In this way, eventually the Historical Committee will write a history of each of the churches in our Association. We ask, therefore, that each church begin now to get this information together so that it will be ready for the time when the history will be written. If your church would want to send in this material now, it will be kept in a safe place until the time comes to write the history. It would also be wise for the church to elect a Historian.

Minutes of the Woman's Missionary Union Auxiliary of the West Chowan Association

The seventy-second annual meeting of the West Chowan Association's W.M.U. was held March 24, 1966 in the Jackson Church with Mt. Carmel as co-host.

The theme for the day was "So Send I You." Mrs. Robert C. White, president called the meeting to order at 10:00 o'clock and Mrs. John Vaughan gave the morning devotional, using Scripture passages to show that God calls His messengers, reveals His message and designated places of service.

The welcome was given by Mrs. T. A. Stephenson, president of the Jackson society.

Mrs. G. R. Hollomon gave the treasurer's report, calling attention to the individual financial statement distributed to members upon arrival. She also read a letter from our State executive secretary to Mrs. White commending our work and stating that the West Chowan was one of twenty-one associations in the state to achieve Honor rating in 1964-65.

Mrs. White extended greetings to all and recognized past associational presidents, the pastor of the Jackson church and other pastors present.

Members appointed on the Place Committee were Mrs. William White, Mrs. Francis Oden and Mrs. Gilbert Rhodes.

On the Resolutions Committee were Mrs. Glenn Daniel, Meherrin; Mrs. George Bishop, Roxobel and Mrs. Roy Woodard, Seaboard.

Mrs. Arthur Green was presented the Honor W.M.U. award for Ahoskie. Mrs. J. A. Smith received Leadership Award for her outstanding work with Y.W.A.'s.

Under new business, Mrs. White suggested that hereafter, we have a registration fee of one dollar ($1.00) per member for those in attendance at our annual meeting to help the hostess churches defray expense of the lunch, etc.

Report forms were explained and society officers were urged to see that their W.M.U. reports and church reports coincided in time and facts. We were challenged to strive for at least one Honor W.M.U. in the association this year and that one-half of our W.M.U.'s attain some form of advanced progress. Three churches, Hebron, Holly Grove and Pleasant Grove, do not have any form of W.M.S. work.

Mrs. C. Wallace Jones expressed a desire to increase our Christmas Love Gift to Mrs. Gordon from $100 to $150. Mrs. W. E. White suggested that the three counties increase their Chowan College Scholarships above $100 each.

After singing "I Love to Tell the Story," Mrs. White presented Mr. and Mrs. Henry Stough who had just returned from Ghana, Africa where they assisted their son-in-law, Dr. Henderson, in an evangelistic campaign. The Stough's daughter, Pat Henderson, was heard in a solo recording of the song "So Send I You" which she also sang to our association upon hearing of hers and Dr. Henderson's appointment as missionaries to Africa. Thus our theme for the day "So Send I You."

Mr. and Mrs. Stough, in native costumes of West Africa, spoke of physical aspects of the people of Ghana and of their experiences while assisting in the "New Life for Youth" crusade there. Mr. Stough traced briefly the history of Baptist Mission work in West Africa which started in Nigeria over one hundred years ago. But it was not until 1957 that work began in Ghana. Dr. Henderson, who is president of the Baptist Seminary, and his wife, Pat Stough, went there in 1963.

Rev. Harvey L. Coppage led in prayer for mission work and returned

thanks for the meal provided by the hostess churches.

AFTERNOON SESSION

The afternoon session began with singing "Give of Your Best to the Master," after which Mrs. Cecil Lowe gave the devotional using the year's watchword "Every Christian a Witness for Christ."

Mrs. White recognized the Young Peoples' Directors, Mrs. E. L. Reese, Sunbeams; Mrs. Carol Parker, G. A.'s and Mrs. J. A. Smith, Y.W.A.'s Mrs. Reese presented three of her Sunbeam Girls who told of their work and how "A Little child shall lead them." Mrs. Parker introduced Mrs. Jack Britt, G. A. Leader of Severn, who with a group of her girls gave a skit on stewardship entitled "Aunt Tillie Learns to Tithe."

A group of Mrs. Smith's Y.W.A. girls from various churches expressed the meaning of Community Missions in a playlet called "He Meant Me," Sandra Edwards of Roberts Chapel reported on the Y.W.A. Conference at Ridgecrest.

Miss Jean Newsome, one of our Chowan College students expressed her appreciation for the scholarship the past two years.

Community Missions Chairman, Mrs. Julian Porter asked each W.M.S. in the association to contribute at least $5.00 to Chowan College for books for the library.

Mrs. William White reported for the Place Committee by inviting the next annual meeting to Merry Hill Church with Lawrence Church as co-hostess.

Mrs. Glenn Daniels spoke for the Resolutions Committee in thanking the Jackson and Mt. Carmel societies for providing the comforts, conveniences and delicious lunch for the day.

A motion was made and passed upon that one dollar registration fee be made pre member for annual meetings hereafter.

A vote of affirmation was also made to send our missionary, Mrs. Gordon, a Christmas Love Gift of $150 instead of $100. The group recommended that our president ask each county to increase their county Chowan College Scholarships to $150 each.

Mrs. C. W. Bridgers, Chmn. submitted report of the Nominating committee and Mrs. Cecil Lowe took the chair for re-election of Mrs. Robert C. White, President, for her fifth year.

Mrs. White resumed as presiding officer for election of other officers as follows:

Vice President	Mrs. Eugene Freeman
Sec.-Treasurer	Mrs. G. R. Hollomon
Prayer Chairman	Mrs. John Vaughan
Mission Study Chairman	Mrs. Henry Stough
Community Mission Chm.	Mrs. Julian Porter
Stewardship Chairman	Mrs. William Timberlake
Organist	Mrs. W. H. Vinson
Y.W.A. Director	Mrs. J. A. Smith
G.A. Director	Mrs. Carol Parker
Sunbeam Director	Mrs. E. L. Reese

Following the closing song, "Hark, the Voice of Jesus Calling," the elected officers stood on the rostrom with the president as Rev. Rowland Pruette, offered the prayer of dedication together with the prayer of dismissal.

Mrs. G. R. Hollomon, Sec.
Mrs. Robert C. White, Pres.

Report of the Resolutions Committee

Whereas this, the eighty-fourth session of the West Chowan Association, has been an experience revealing what the churches of our fellowship are, in that we have been informed of our status quo and the great gap between us and the ideal in Jesus Christ. We have been made aware of our opportunities in service for Christ as a community of believers. For the work and planning of the many people prior and during the session, may it be resolved that appreciation be expressed to the following:

1. To the Program Committee and its chairman for the planning and work toward the meeting.

2. To the Moderator, Promotional Secretary and other associational officers and leaders for their efforts prior to and during the session.

3. To the devotional and inspirational speakers, and to those who provided worshipful music.

4. To Cashie, Siloam, Edgewood, Greens Cross, Republican, Mt. Carmel, Roberts Chapel, Severn, Winton Churches, and Chowan College for their warm hospitality, their gracious and efficient help in every way, the meals and sincere welcome and fellowship.

5. To the messengers and visitors whose prayerful and worshipful attitude added much to the orderliness and reverence of the session.

Be it further resolved that we call upon the people of our churches to work and pray for grater understanding of the will of God for the churches in our age, that we not hold to outworn standards and methods which can never channel the healing of God to our broken world, and that we apply the Message of the Cross to all the differences which separate us socially, politically, and racially, that the spiritual mission of the Church be fulfilled trimuphantly.

Respectfully submitted,
J. D. Wyatt, Chairman

Report of Committee on Ordinations

On Sunday, February 20, 1966 at 3:00 o'clock the Committee on Ordination met in the First Baptist Church of Ahoskie, North Carolina, with other ministers and laymen, for the purpose of examining Mr. Donald Ray Dawson for ordination to the gospel ministry.

The meeting was called to order by Bob J. Traywick and a statement of purpose was made. Hargus Taylor invoked God's blessings on the meeting.

Relevant questions were asked by the following:

1. W. Isaac Terrell requested the candidate to give a statement of his experience of grace or salvation; then a statement concerning his call to preach the gospel.

2. Dr. Hargus Taylor questioned the candidate on Doctrine and the Bible.

3. B. J. Traywick requested to hear the candidates beliefs relating to the Church and Denomination.

The floor was open for further questions and W. Isaac Terrell moved that the candidate be presented to the Sandy Run Baptist Church of Roxobel for ordination. The motion was seconded and carried unanimously. The group was adjourned with prayer.

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River. North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758, and the Kehukee in 1769.

SEMINARY EXTENSION CENTERS

Since beginning the Seminary Extension Centers one year ago 180 adults in the West Chowan Association have taken a course of study. In general the results have been good. Under the direction of Dr. Bela Udvarnokie, with the Promotional help of Rev. Gwyn Sullivan we have provided several courses of study in the Fall of 1966 Winter of 1967 and currently the Fall of 1967. Presently there are 4 courses being offered with a total enrolment of 60 people.

We believe the Seminary Extension Center effort in the West Chowan has gotten off to a good start and with continued support by the Association and the State Convention the effort should grow and continue to render a vital service.

John D. Davis, Chairman

NAME

Article 1. This body shall be known as the West Chowan Baptist Association of North Carolina.

MEMBERSHIP

Article 2. It shall be composed of Messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two Messengers, and for each additional one hundred members, an additional Messenger, provided that no church shall have more than ten messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and co-operation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River, North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758, and the Kehukee in 1769.

History of Murfreesboro Baptist Church

Murfreesboro Baptist Church is one of the many daughter-churches of Meherrin Church (constituted in 1729 and first called "Parker's Meeting House"). In 1842 Meherrin Church was considered outside the Town of Murfreesboro, and there arose a feeling of need for a church within the limits of the town. Some prayer services were held in the home of Dr. Samuel J. Wheeler (home still standing on Broad Street), and then a revival meeting sprang up under the leadership of "Elder Robert McNabb of Granville County." A number of persons in the town made professions of faith, and the Mother Church, Meherrin recognized the need of a congregation of Christian people to serve Murfreesboro, and therefore established as a "branch church" the Murfreesboro congregation.

Meherrin retained direction of the group in town, and though a church building was erected in 1842-1843 the congregation was not constituted an independent church until 1848.

Early leaders in the church were L. T. Spiers, clerk for many years and James H. Lassiter, treasurer. Dr. Wheeler, though retaining his membership in Meherrin Church, often served as Moderator of the new congregation during its formative years.

The first building, an attractive wooden structure with steeple, was erected on and bought from John Southall, on substantially the present location of the church building, which is the second structure of the congregation in its 125 year history.

The dedication was held on November 5, 1843, with Elder Magoon, a pastor of Richmond, Va., preaching the dedicatory sermon. At an afternoon service the local Presbyterian minister, Rev. J. V. Cosby, preached.

EARLY HEADS

It is significant that on the occasion of the constitution of the congregation as an independent church, on November 19, 1848, Rev. Archibald McDowell, then of Wake Forest College was present along with other pastors in the area. It appears that it was the intention of Meherrin Church that all its members, both white and Negro, living in the village would become members of the new church, and many did. From the very outset the Church and Chowan College (then referred to ni the minutes as "The Institute") have had interwoven history.

It was providential that the church was established in time to be on the scene when the college came into being in 1848 and 1849.

A number of the presidents of the Chowan Baptist Female Institute in the early days also served as pastor of the church. Among them were: Elder W. R. Fory (1849-1851) and Dr. Archibald McDowell (most of the years from 1855-1879), Dr. C. W. Scarborough (1884-1885). Numbers of other men who served the church also were teachers at the College.

The first full-time pastor the church had was Q. C. Davis (1912-1913), the father of Dr. Hersey Davis, Professor for many years at Southern Baptist Seminary.

EARLY MINUTES

Interesting information in the early history of the Murfreesboro Baptist Church includes the following:

Minutes for May 23, 1851, indicate early interest in the cause of foreign missions: "Elder M. R. Forey in behalf of the delegation to the Association reported its proceedings. He stated that he had pledged this Church to the amount of $50.00 for support of a missionary in China by the Chowan Asso-

ciation."

Minutes for May 11, 1861: Delegates to the meeting of the Chowan Association to meet at Sandy Run Church were instructed to "pledge this church to an amount double that contributed by any other church in behalf of the Chowan Female Institute."

Minutes for January 12, 1862 indicate modern conveniences in baptism: "On Sunday afternoon Misses Rosa J. Jenkins and Mattie W. White were baptized by Elder McDowell in the Pool at the Female College."

Minute entry for October 8, 1864: "Elders McDowell (President of Chowan and Pastor of the Church) and J. E. Carter were appointed delegates to North Carolina Baptist Church Convention to meet at Warrenton, N. C."

Minutes of July 9, 1854 and referred to numerous times: "The committee to devise means of excluding hogs from under the Church was continued." Churches had "problems" in those days. Were deacons, or pastor, or members slow to move?

PASTORS

Pastors during the past 50 years include the following: J. W. Whitley (1919-1925), under whose leadership the basic church building, including the sanctuary, of today was built.

Dr. W. R. Burrell (1925-1932)

Dr. J. C. Owen (1933-1934)

Paul B. Nickens (1941-1943), during whose pastorate the indebtedness on the church building was finally liquidated and the church dedicated on December 13, 1942.

J. L. Jones (1943-1948)

Warren F. Taylor (1948-1956) During his time as pastor the new educational building was erected and much progress and growth made in the life of the church.

Rowland S. Pruette (1956 until the present). During these years the membership of the church have built a lovely modern parsonage, have remodeled and enlarged the sanctuary to care for their growing needs, including many students of Chowan College, have remodeled the Sunday School area, and purchased for future expansion an adjoining lot and also other property including a brick home, which is used as youth building.

EIGHTY-FIFTH SESSION

Mrs. A. P. Griffin was at the organ at 9:50 giving an organ prelude. At ten, Moderator Rowland S. Pruette, called the session to order. Ernest Purcell gave the Scripture and prayer. The Clerk made a motion that all messengers present and those registered later, would transact the business of the Association. Motion carried. Moderator Pruette read the list of committees to serve at the present session. He also recognized and gave a welcome to the visitors attending.

Moderator Pruette brought a message concerning the Work of the Association. Special music under the direction of E. C. Chamblee was rendered by the Chowan College Choir. For the period following the Music Reports were given by the Executive Committee, Secretary of Promotion and the Treasurer.

At 11:30 the Association heard a message by William C. Smith, secretary of the Baptist Student Union. In preparation for the sermon the hymn, "I Love To Tell the Story" was followed by Scripture and prayer given by Rev. William L. Downs, pastor of the Harrellsville and Christian Harbor Churches. Rev. Gwyn P. Sullivan, pastor of Union and Mt. Tabor churches preached the Annual Sermon, "The Purpose of the Local Church." Text Ps. 96:2. Closing prayer and blessing for the food was given by Rev. Bennie Pledger, pastor of the Colerain Church.

TUESDAY AFTERNOON

At 1:30 p.m. the Association reconvened for the Afternoon Program. The congregation stood and sang "To God be the Glory." Scripture and prayer was given by Rev. John R. Blanchard, pastor of Sandy Run Church. Calvin S. Knight, trustee of the North Carolina Baptist Hospital carried his listeners, mentally, with a message on Baptist Hospital, almost as if they were there bodily.

Moderator Pruette called for a business session at which time the following committees made their reports:

Nominating Committee; Election of Officers, Committee on Committees, Committee on Constitutional changes and Miscellaneous Business. The Session stood and sang "O God, Our Help in Ages Past." A very illuminating and interesting History of the Murfreesboro Church was read by the Rev. Rowland Pruette, pastor of the church.

Dr. Irvin Dawson, assistant secretary, Department of Language Missions of the Home Mission Board brought a message, "Missions in the Northwest. After singing "Rescue the Perishing," the Association adjourned with prayer by the Rev. Oscar Creech.

Report of Associational Librarian

We have 24 libraries with 6,636 books, 3 additional libraries in planning stage, 27 projectors, 4 vertical files and 14 churches reporting audio-visuals.

The West Chowan Association needs more and better libraries to serve its people. This report is really an appeal to the churches to wake up to the great opportunity of knowledge. In Proverbs 29:18 we read: "Where there is no vision, the people perish."

The first Sunday School library was established in 1812. Individuals, methods, circumstances and materials may have changed, but it is reassuring to know that principles are universal and unchanging. Today's materials, desiged to meet the challenge of changing methods, needs and organizational structure, come in many forms—books, tracts, pamphlets, pictures, filmstrips, slides, and recordings. All these make it possible for the church library to inform, to instruct, to inspire and to lead individuals towards Christian maturity.

If the West Chowan Association is to meet the needs for leadership in the local churches, we must face the fact that leaders need to read to keep informed. This year we have added more libraries, more books, more instructional materials, and laid the foundation for an associational library organization, but there is much work to be done in the fight against ignorance in our midst. We must look to the library ministry for help.

The Mission Work at Pine Forest Rest Home

Potecasi Baptist Church conducts a Sunday School at Pine Forest Rest Home each Sunday morning at 10:00. Their teacher is Kathleen Carter of Potecasi Church. The pastor holds devotional services each Thursday night at 7:00. Ashley Grove Church comes regularly to the home also. The members of Pine Forest Home have devotional services every evening at 7:00 and various ones help them. It is indeed an inspiration to be able to minister to loving and appreciative people as those in our rest home in Potecasi.

Dalphon J. Thompson

Report of the Promotion Committee

The Promotion Committee has in its membership the heads of the Associational Organizations, and the Representatives of our denominational institutions, and therefore the activities of these are reported elsewhere. It is our plan to have the representatives to go about through the churches and present the work of the institution or school that they represent. We strongly urge that every church invite these representatives to come some time during the year and tell about the work of the institution that they represent.

Then, at the annual meeting, the representatives can report to the association concerning their personal activities during the year.

Our Promotion Committee held four meetings during the year, discussed the matter of promoting our Baptist work, and made suggestions for the coming year which have been included in the Calendar of Activities.

John H. Liverman, Jr., Chairman

Report on Homes for Aging

The ministry to our Homes for the Aging is but another evidence of the Church's concern for the whole life of the individual. From childhood through the formative, productive, creative and declining years, our Baptist Churches care about the person. Most often those residing in our Homes have been most productive Christians through services in their churches. Surely it is our privilege and obligation to serve them in the sunset of their lives.

There are now five Baptist Homes for the Aging in North Carolina. The fifth one, at Yanceyville, will open Nov. 1st. Two are located in Winston-Salem, one at Albemarle and one at Hamilton. The one in Hamilton serves the Eastern area. With the opening of the new Home, there will be a total capacity for 200 residents. 90% of these people are financially needy.

Mr. William A. Poole, Superintendent of our Homes, reports that the Special Day Offering in February, 1967 reached an all-time high, which, in the face of the rising cost of operation, is encouraging. Gifts from churches in the West Chowan Association this year amounted to $2,762.61, an increase of 42% over last year.

In these Homes we have an eternal investment and can rejoice in the loving care made possible for our older people. Let us continue to support them in proportion to our blessings, and their needs.

Respectfully submitted,

Mrs. Roger Hollomon

Baptist Children's Homes of North Carolina

The Baptist Children's Homes of North Carolina, Inc. offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally distrubed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is

encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Our Children's Homes are committed to the task of maintaining a Christian Program of Child Care—a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is the purpose of the West Chowan Association to meet, as effectively as possible, the challenges of our day.

History of the Askewville Baptist Church

There was no church in the Askewville community prior to the Baptist Church. The nearest church was Ross Baptist Church and the majority of the people in the Askewville community were members there. Sunday School and prayer meetings were held in Cobb's schoolhouse.

Several people in the community had for some time wanted a church and when Rev. Walter Raleigh White returned home during Christmas in 1912, he talked with many people about the need of a church and said that if they did not build a church building, he would preach under a brush arbor. The people made a decision to build the building in 1913.. A J. White donated an acre of land, George Butler donated the first logs, J. H. Harris had charge of constructing the building, and many others gave timber and labor, and women saved their Sunday eggs to help pay for materials.

The church was organized on April 13th, 1913, when Rev. Dancey Cale was elected moderator, and W. D. White was elected clerk. After the latter had read a decorum of rules which were later adopted as a church covenant. Letters of dismission were read for 40 members from the Ross Church, deacons were elected, and the new church was named Askewville.

The church worshipped in the original one room structure until 1926 when the building was remodeled by building 12 classrooms, vestibule and belfry. The church bell was a gift of James R. White and is still in use. The cost of these additions was $4,600.00.

Gas lights were used until 1928 when the building was wired and current purchased from the town power plant. In 1929 a Delco plant was installed and used until 1938 when the power line came in. A pump organ was used for music until 1934 when a piano was purchased. The Hammond organ was purchased in 1958, and a new piano in 1961.

The parsonage was planned and finished in 1951, Livingston J. White donated the lot, members donated timber and labor, and a deep well was

drilled.

Improvements have been added to the buildings from time to time. A new front, including a vestibule and belfry was built in 1956 when Robert A. Gardner was pastor. Later, when Donald R. McNair was pastor, the church built a new educational building of block and brick veneer, and has eight classrooms, a large assembly room and three rest rooms, at a cost of $24,328.00.

The first Woman's Missionary Union in Bertie County was organized at the Askewville Church in 1914. Dr. Walter Raleigh White held more revivals in the church than any other minister, and his last revival was in 1940. William G. White was chairman of the Deacons from 1913 until his death in 1944.

The church has been blessed, most of the years, by saintly pastors and preachers. Preachers such as the pulpit orator, Dennis P. Harris; the guide and counselor John F. Cale; the saintly S. F. Bristow; the scholarly Dr. C. C. Cox; the humble John E. Copeland; the man who pastored the church for the longest time, 12 years, from the depression years through the war years, and started the church on its modern methods of growth, William H. Hollowell; the friendly and Christian-spirited Tom N. Cooper; the controversial James B. Hewitt; the unifier, Robert A. Gardner; the builder, Donald R. McNair, and the present pastor, Walter Hill under whose Christian leadership the church is progressing both spiritually and physically.

Report of Evangelism Committee

Have you ever had a thought of what it would be like in our Association if all efforts put forth in Evangelism were stopped? Suppose the pastors were to lose all interest in reaching souls for Jesus, in that they would never preach an Evangelistic Sermon, never speak to a person about Jesus, never lead the churches to have Revival Meetings, never give an invitation in Worship Services to give people an opportunity to make decision, and cease to believe that people are lost and in need of the Saviour. If our church people were to lose all interest in Spiritual things, then God would cease to smile on us.

Our churches would soon die and Spiritual darkness would cover us like the darkness of the night. Let us pray that this will not happen in our association.

There is evidence of great Satanic forces working our world today and the only chance to overcome them is through the power of our Lord Jesus Christ. Our world is in a terrible mess, but our Association can help to make it a little better. May God help us to do our part.

If our churches would believe in and practice the New Testament Type of Evangelism, we would soon see a great difference in the Spiritual Life in this area. Nothing can take the place of this in our churches.

Last year, the Evangelism committee did the following things in the interest of Evangelism in our Association. First, one of Billy Graham's Films, "Souls In Conflict" was shown on April 10th and 11th, in Conway and Ahoskie Large crowds attended these services. Second, a wonderful Evangelistic Conference was held on October 3rd, in the Aulander Church. If you didn't attend these meetings, you missed great blessings.

We are already working on the program for this year and I hope that it will be one of the best yet. The members of the Evangelism Committee hope you will help us to make this a great year in our Association in Evangelism.

As we look ahead into 1968 and 1969, I hope that great things will be in store for us as we Cooperate in, "The Crusade of Americas." This is a united effort of many Baptist bodies to win souls to Jesus. Plans are already being made for Simultaneous Revivals to be held in 1969. The date set for our Association is April 6-20. Let us pray that this Crusade will help to change the course of this old world, and that our own nation will be saved from distruction.

Odom Prison Farm

The nature of prison work is rapidly changing. In the first place the North Carolina prisons are no longer called prisons, but correctional institutions. The idea is to correct the inmates rather than merely punishing them. Secondly, Odom prison has changed from a "close security" prison to a correctional institution for youth offenders. Therefore, there will be a different type of person at Odom in the future. The change is taking place now. This will demand a different type of ministry. These young men will need help that will enable them to be capable of entering back into society soon. This will demand more from the spiritual area. We Baptist must meet their spiritual demands and never lose sight of the importance of the person.

There are approximately 300 inmates at Odom. Between ten and twenty voluntarily attend the weekly Sunday School service at 8:45 a.m. Hardly a Sunday goes by that an inmate does not want to talk about something that is bothering him. I am glad to serve here and this is a very important ministry. Baptist of North Carolina can be glad they have a part in this work with the inmates in our correctional institutions.

Report of the Secretary of Promotion

Many and varied are the activities of the Secretary of Promotion and last year was no exception, with the conferences with committees, other groups, and individuals in planning and carrying out the program of the association. A great deal of planning and hard work has to go into preparation if the activity is to be successful.

Missions was the dominant theme during the year, with many classes being taught on our Baptist Work in India, and a presentation of World Missions. Schools of Missions in March were held in the majority of our churches with deep spiritual results, especially in the day-time meetings. Due to a cancellation, your Secretary presented our Baptist work in Liberia in seven of our churches.

Sunday School Group Schools were held in September in an effort to enlist and train our Sunday School workers to be better teachers and witnesses.

Other services rendered were to help ordain deacons, conduct study courses, speak in prisons and rest homes, counsel with laymen and pastors, and conduct prayer meetings. Outside of the Association, we conducted a Mission Vacation Bible School near Camp Lejeune, N. C., assisted in Schools of Missions in the Haywood Association, presented our mission work in "Ghana"

and "Liberia" in many churches some of which were outside the state, and attended conferences and conventios which helped me to know more about our Baptist work.

Narly 12,000 bulletins "The West Chowan Baptist" were sent out, as well as innumerable cards and letters, and nearly 24,000 miles were travaled in the Lord's work, representing you to the ones to whom we ministered.

Report of the Missions Committee

The Mission Committee of the West Chowan Missionary Baptist Association has tried to achieve two goals. First: This committee has sought to make the Gospel available to every person within the West Chowan Association. Second: The Missions Committee has challenged every church and every individual Christian to participate in the sharing of the Gospel on the local level and to give special attention to the sending forth of the Message of Christ into all the World. With these objectives in mind, we are grateful for the privilege of making the following report.

SCHOOL OF MISSION

The highlight of the year was the School of Missions in which forty-four of our churches participated, including the study of the Mission books, and hearing addresses from our visiting Missionaries. We feel that a great interest in missions was created, and that much good will come from this. The enrollment was very good with a total of one hundred seventy-four classes and two-thousand five hundred sixty-six attending these classes. We had ten Foreign Missionaries, eight Home Missionaries, and twelve State Missionaries. To begin each of these weeks we enjoyed the "Mission Fair" where we became to know each missionary.

PRISONS

Windsor: Rev. J. N. Baggett from he Siloam Baptist Church continues to conduct services each Sunday morning at Windsor Jail and the Bertie Prison Farm. His experiences have been rewarding and gratifing. There have been many men and women won to Christ through this ministry.

CHOWAN REST HOME, Rich Square

Services are held each Sunday morning, which are lead by Thad Pravette of the Rich Square Baptist Church.

The Missions Committee Expresses their appreciation to each church and individual for your wonderful response in sending Bibles and money to our Association Treasurer. We hope in the future you will continue to do this. In so doing be sure to make the check for Bibles.

Report for the American Bible Society

The American Bible Society has as its single purpose the wider circulation of the Holy Scriptures to every man in the language or form he can best read and understand.

The work of the American Bible Society continues at an unprecedented rate. More than 75 million copies of Scriptures were distributed during the past year; over 3,000 translators and revisers worked on these scriptures in more than 500 different languages and dialects. Scripture volumes provided by the Society continue to serve as a vital length between the Home Church and our men in the Military Services.

Increased missionary efforts, now, are pointed toward the underdeveloped

regions of the world, especially in the pacification work in South Vietnam. More than sixty-five dènominations are now represented on the American Bible Society Advisory Council; thereofre, its work serves hundreds of missionary societies and national church bodies.

With the explosions of population and literacy, we are faced with added challenges today in our missionary efforts here and abroad. We realize that Christian Americans are better able to bear the costs involved in the work of Scriptural advancement. Those of us in the West Chowan Association are contributing, but we can and must do more than in the past years. May each church experience this year some type of financial participation through a special offering, a designated percentage of church income, or through a gift from some group or organization within the church itself. Individuals, too, may participate through the annual active membership plan. Send your gift to our State Headquarters marked "for the American Bible Society." Help others to learn more about Christ.

Brotherhood Report for 1967

When the Brotherhood began in 1907, it was thought of as the Layman's Missionary Movement. The primary object was to enlist the men of the church in the affairs of Christ's kingdom. Since that time the Brotherhood has had a struggle. We have appealed to laymen in many ways to become missionary minded in our Missionary Baptist Churches. Many of the laymen have done just this and are doing a good job in their churches.

However, only last year the Brotherhood as an organization took a new look at itself and decided to concentrate its efforts on mission education. This was aimed at the men, young men, and boys of the church whether they were members of the Brotherhood or not. Therefore, trying, to get all the men and boys of the church involved in mission study and mission action.

Many of our churches are doing a good job as their men are becoming more interested in studying the Scriptures to learn more about what our Saviour commanded each of us to do. That is to go into all the world and tell others about Him who saves us from our sins.

Many of our churches are also becoming involved in mission action, as we have begun to take several men of the church and go into the homes of the sick and the shut-in. Also in the Rest Homes in our area to share with them the reading of God's Word, giving personal testimonies, and singing gospel hymns. God does not withhold His blessings when we put forth an effort to share Him with others.

In the spring of 1967 our association had a school of missions and the Brotherhood worked with the W.M.U. in securing teachers to teach men to become involved in missions.

Each church has been reminded to elect a Brotherhood Director whether you have a Brotherhood or not. This will give us a chance to contact and incourage the men of the church in mission education. Many of our churches have already done this. If your church has not, then may we urge you again to do so.

Let all of us men and boys in all of our churches of this Association take a new look at Brotherhood and become involved in this great task of sharing our Saviour with others, here at home and around hte world.

May God bless our every effort.

Training Union Report for 1966-1967

The Training Union of the association held the following meetings during the 1966-67 church year. We began with a Training Union Executive Committee meeting at St. Johns on November 7, 1966. At this meeting plans for the year were discussed and the "M" night program for 1966 was discussed and final plans were made. Two other Executive Committee meetings were held. On the 30th of January 1967, we met at the Askewville Baptist Church and on May the 22nd, at the Rich Square Baptist Church.

"M" night was held at the First Baptist Church of Ahoskie December 5, 1966. Training Union Tournament night was March 2, 1967, at the Roberts Chapel Baptist Church. March 18, 1967, the Training Union went to the Murfreesboro Baptist Church with the Youth Night meeting, and on the 12th of October, to the Meherrin Church for a Church Officers and Committees Clinic.

The Associational Training Union Council voted to hold "M" night in 1967 on the 27th of November. This date was selected in order to avoid a conflict with the Week of Prayer for Foreign Missions. The place for this meeting is the Galatia Baptist Church. The time has been set at 7:30.

Sam O'Neal is to be our Guest speaker at the "M" night meeting. We felt that it would mean much to our Association to have our State Training Union Secretary speak to us at this time due to the fact that our Training Union is taking on a new look.

Every church is urged to encourage its members to attend the "M" night meeting and to become involved in a program of training. We are seeking for better cooperation on the part of our pastors in our Training Union program. The Training Union has much to offer our churches. No better means have been devised to help a church carry out that part of the Great Commission which reads "Teaching them to observe all things." This is the Training Union's task.

Sunday School Report

The Sunday School remains the "spearhead for advance" in our churches tnroughout the West Chowan Baptist Association, even though a decrease in enrollment is reported from the churches this year. "Teaching the Biblical revelation" continues to be a basic task in helping the Church fulfill its God-given mission.

The Sunday School department of your association exists to aid the local churches in doing the best job possible in reaching people and in teaching the Bible.

Two Association-wide programs were offered during the past year.

The Vacation Bible School Clinic was held on Tuesday, April 25, 1967, at the Woodland Baptist Church with 150 persons attending. The faculty for the clinic was: Mrs. J. S. Vaughan, Sr, Principal; Beginner Leader, Mrs. Dick Shackelford; Primary Leader, Mrs. Julia Vick; Junior Leader, Mrs. W. R. Reinhardt; Intermediate Leader, Emmanuel Pegram.

Sunday School Group Schools were held September 18-21, 1967, to offer training for "Better Bible Teaching." Adult Teacher studied the Book, "Guiding Adults in Bible Study." The book for teachers of Young People was "Guiding Young People in Bible Study." Intermediate teachers studied "Better Bible Teaching for Intermediates." The Junior book was "Better Bible Teaching for Juniors in the Sunday School." Primary Teachers studied "Teaching the Bible to Primaries." The Beginner book was "Bible Teaching for Four's and Five's." A Doctrinal Book was also taught in a general conference: namely, "The Nature and Function of the Church."

The School in Northampton County was held at the Galatia Baptist Church

with George Turner serving as Group Superintendent. The enrollment for that county was 49 with an average attendance of 33.

The School in Bertie County met at the Askewville Baptist Church with Tom M. Jones serving as Group Superintendent. Forty-two (42) persons were enrolled in Bertie County with an average attendance of 31.

The School in Hertford County met at the Creech Memorial Church with William Downs serving as Superintendent. Enrollment in that county was 99 with an average attendance of 52.

Total enrollment for the Group Schools was 190. The average nightly attendance was 116 including a faculty of 21 persons.

Progress Report on Chowan College

While continuing to place great emphasis on Christian ideals and principles, Chowan College is also upgrading its curriculum and striving for scholastic excellence.

Enrollment for Chowan's fall semester, opening August 30, was 1,292 and this is the 120th year in Christian higher education for Chowan, the second largest two-year college related to the Southern Baptist Convention and the second largest two-year college in North Carolina.

The first phase of Chowan's campaign to raise necessary funds to construct a new library-fine arts facility, now being constructed and expected to be completed by the summer of 1968, was successful. The new library-fine arts structure, to shelve 100,000 volumes and contain seating space for more than 400 students and faculty in several reading areas, is expected to cost $800,000.00, equipped. It will also contain space and equipment for music, drama and the fine arts and contain an Antiquities Room to house articles of historical interest to the Roanoke-Chowan region. Raised in pledges and gifts during the first phase of Chowan's capital funds campaign was $537,000.00, exceeding a goal of $500,000.00, and the college is now engaged in the second phase of this campaign. The goal for this second phase, for funds to pay for completing Chowan's library-fine arts facility, is $300,000.00.

Chowan College's Board of Advisors, organized and active during the year, has proved very effective in work for the betterment of the college.

Chowan continues making phenomenal progress and growth in stature and maturity as it is guided by the capable and dedicated leadership of President Bruce E. Whitaker, who has brought prestge and honor to Chowan and helped it become one of the South's outstanding junior colleges.

Deeply grateful for the close association it enjoys with the West Chowan Baptist Association and for increasing support from churches in the Association, Chowan College continues being dependent upon the interest, prayers and support of North Carolina Baptists.

Baptist Hospital Report

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as daramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical

Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our conutry, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women hghly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antiobiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone—it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need—and even hear a "Well done," for "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Minutes of the Woman's Missionary Union Auxiliary of the West Chowan Association

ASSOCIATIONAL MEETING APRIL 6, 1967

The seventy-eighth annual meeting of the West Chowan Association's W.M.U. was held April 6, 1967 at Merry Hill Church with Lawrence Church joint host. Approximately 200 members were in attendance.

The theme for the day "Jesus Calls Us" was emphasized in the opening hymn of that title. Rev. Henry Stough gave the devotional using a passage from the 4th chapter of Luke.

Welcoming remarks were made by Mrs. W. D. White, president of the Merry Hill Society.

The treasurer, Mrs. G. R. Holloman, reported on matters of business in which a letter of appreciation was read from Mrs. Audrey Gordon, our missionary to the Philippines, for the $150.00 sent her as a love gift last Christmas. A receipt from Ghana Baptist Mission of Africa was read in acknowledgement of the $100.00 which was sent them in honor of Mr. and Mrs. Stough and Dr. and Mrs. Henderson for the purchase of Bibles.

The president, Mrs. Robert White, asked that each W.M.S. in the association contribute at least $5.00 toward books at Chowan College.

Mrs. White called attention to the $1.00 registration fee which was sanc-

tioned by the women at last year's annual meeting but which was voted down by the associational church meeting in the fall. So the W.M.U. rescinded its decision in order to be in agreement with the church organization.

Mrs. Cecil Lowe, past president, was recognized and she made a lovely "bouquet of violets" tribute to our out-going president, Mrs. Violet White, as she pinned a corsage of violets on her. Further appreciation for Mrs. White's fine leadership and dedicated service was expressed when presenting to her a silver tray from the organidation. Mrs. White's mother, Mrs. Warner Lassiter, was in the audience and was asked to stand in recognition.

The president recognized all past presidents, ministers, and ministers' wives who were present for the day.

A very moving message in song was brought by Rev. David McKenzie, Navajo Indian pastor from New Mexico who sang "It Took A Miracle."

Miss Kathryn Bullard, State missionary society director, brought the morning message on the theme of "Jesus Calls Us—to leadership and service."

Missionary fundamentals chairmen; Mrs. Stough, Mission study; Mrs. Porter, Missions in Action; Mrs. Vaughn, Prayer; Mrs. Timberlake, Stewardship, each presented reports and ideas.

Mrs. Francis Oder, president of Lawrence society closed the morning session with prayer and blessing as adjournment was made for lunch.

AFTERNOON SESSION

The afternoon session featured young people who took parts on a panel discussion of present day problems. After singing "Arise, O Youth of God" Miss Janie Davis of Chowan College led in prayer.

Miss Frances White of Chowan College assisted by Mrs. W. E. White, Dr. Gilbert Stephenson, and Rev. Jim Shurling directed the panel with students Lavinia Vann, Beverly Watson, Bill Parker and Wayne Woodard participating.

During business of the afternoon, Mrs. J. A. Smith moved that the W.M.U. associational meeting be held the first Thursday in April. The motion was carried.

Missionary societies and youth organizations attaining points of achievement were recognized by name and certificates awarded.

Mrs. Walter Hill, Mrs. Naomi Hughes and Mrs. M. B. Johnson gave the Resolutions Report. Mrs. U. G. Shearin of Time and Place Committee invited the 1968 annual meeting to the Conway Church.

The following officers were elected for the new year beginning October 1st:

Vice-President ..... Mrs. Robert Lee
Secretary-Treasurer ..... Mrs. Coleman Thomas
Prayer Chairman ..... Mrs. John Vaughan
Mission Study Chairman ..... Mrs. Henry Stough
Missions in Action ..... Mrs. Starkey White
Stewardship ..... Mrs. Robert White
Organist ..... Mrs. Harvey Vinson
Y.W.A. Director ..... Mrs. J. A. Smith
G. A. Director ..... Mrs. Gilbert Whitley
Sunbeam Director ..... Mrs. Randy Britton

Nominating Committee: Mrs. C. W. Bridgers, Mrs. Harry Hill, Mrs. L. P. Britton, Mrs. Clyde Harden, Miss Rebecca Long and Mrs. James E. White.

The nominating committee and executive committee will secure a presi-

dent.

In closing the hymn, "Saviour Again," was sung and Miss Kathryn Bullard used the theme "Jesus Calls Us—to dedication" in prayer as the newly elected officers stood with her.

Respectfully submitted,
Mrs. G. R. Holloman, Sec.
Mrs. Robert C. White, Pres.

Report of Resolutions Committee

Whereas this, the Eighty-Fifth Session of the West Chowan Association, has been an inspiring, challenging, and helpful experience, be it resolved that appreciation be expressed to the following:

1—To the Program Committee and its Chairman, for a good and informative program.

2—To the Moderator, Promotional Secretary and other Associational Officers for their efforts during the year, and in this session.

3—To the devotional and inspirational speakers, and all who participated in the panel discussions.

4—To the Chowan College Choir, Mrs. Julian Bryant, Tom Jones and others who provided us with such worshipful music.

5—To all those who served on committees.

6—To Buckhorn, Mt. Tabor, Murfreesboro, Askewville, Connaritsa and Holly Grove Baptist Churches for their warm hospitality, the meals and their sincere welcome and fellowship.

7—To all Messengers and visitors whose presence and cooperation helped to make such fine associational meetings.

Be it further resolved that we call on all Christians to dedicate themselves to prayer, witness, study of the Bible and faithful Christian living, so that our churches might grow stronger and be pleasing to our Lord.

Respectfully submitted,

Mrs. Arthur Greene

After satisfactory examination by the committee as regards his Christian experience, his call to the ministry, and his views of Bible doctrine, Mr. Downs was approved for ordination.

On Sunday, July 16, 1967, Mr. Downs was duly ordained to the Gospel ministry by the Harrellsville and Christian Harbor Churches.

Respectfully submitted,

Bertie Union Meeting 1967

The Bertie Union met April 28, 1967 at Lasker Baptist Church, Lasker, North Carolina, for its regular Spring Associational meeting. The service was called to order by the moderator, Oscar Creech of Creech Memorial Baptist Church, Ahoskie, North Carolina. We sang a hymn, had Scripture and prayer by Emmanuel Pegram, of Woodland Baptist Church. The theme of the meeting was "The Christian Conscience in the Present World." There were four messages given. They were as follows: "The Christian Conscience In Our Individual Lives" by Tom Jones, pastor of Cashie Baptist Church. Then "The Christian Conscience and the Liquor Problem," by Harvey Rumfelt, pastor of St. Johns-Holly Grove Baptist Churches. (The report received much discussion and a recommendation was presented by Harvey Rumfelt, "That Bertie Union go on record as opposing the selling of alcoholic beverage and liquor-by-the drink." After some discussion, an ammendment was given by John Davis of Meherrin Baptist Church, "That we recommend to the sixty church, upon examining each member, on the subject as stated in covenant, before becoming a member and to exclude any member who may violate this covenant." The ammendment was voted down and the motion was referred to the evening meeting. It was not brought back up).

The morning session adjourned for lunch.

The evening session consist of two messages, "The Christian Conscience and Present-Day Literature," by George Turner, Seaboard Baptist Church, and "The Christian Conscience and the 'New Morality" by Thad Prevatte, Rich Square Baptist Church.

Several progress reports were given and an opportunity was given to tell about things going on in the churches.

The resolution committee (Tom Jones, Paul Weaver and Emmanual Pegram) gave the following resolution:

"Whereas, the Bertie Union meeting was held on April 28, 1967 and whereas, the Lasker and Jackson Baptist Churches were gracious host and whereas, our Lord Poured out spiritual blessing through the proclamation of His Word—be it resolved: that sincere thanks be expressed to the Lasker and Jackson churches for kind hospitality and—that we express to our moderator, Brother Oscar Creech for his untiring effective and efficient leadership—that prayers of thanksgiving be offered to our Saviour for His blessings this day and continually and—that we as a body resolve to re-affirm our committment to the witness of the spirit."

The nominating committee was appointed (C. W. Parker, Lonnie Sasser, and Henry Stough) and made the following nomination: Moderator, William Futrell; Vice Moderator, Gwyn Sullivan; Secretary, Olivia Holloman; Song leader, Robert Dills; and Pianist, Martha Lassiter. They were accepted.

Respectively submitted,

Dalphon J. Thompson, Sec.

(4) The Reverend Joe D. McLean, pastor of the Jackson Baptist Church, continued that he may disagree with the action taken by the Aulander Church but that their business was to be the Church of God and that he felt that they had come to their decision under the leadership of the Holy Spirit.

(5) The Reverend Harvey W. Rumfelt, pastor of the Menola and St. John Baptist Churches, stated that the constitution gave the association the right to do as the motion stated and that the matter of love did not enter into the discussion. It was, rather, a matter of what the Bible says.

(6) The Reverend Dr. Hargus Taylor, Chaplain at Chowan College, stated that in the West Chowan Baptist Association in the past some of our forebearers had not been so sure about the significance of the mode of baptism though they have been sure of the importance of baptism for believers. REPORT
SECTION

The American Bible Society

Whenever the American Bible Society publishes the Scriptures, it is made easier for someone, somewhere to read and understand God's Word. For 151 years the American Bible Society has published and distributed the Scriptures in more than 600 languages and dialects throughout the world. At this very moment, more than 3,000 translators in 150 countries are translating and revising the Scriptures.

The Society has as its single purpose the wider circulation of the Holy Scriptures to every man in the language or form he can best read and understand; and the work continues at an unprecedented rate. We can have a greater part in this missionary purpose by lending greater support to the American Bible Society than we have done in the previous years. May each church in the West Chowan Association this year experience some type of financial participation and responsibility to the Society. We must support this Bible program both at home and abroad.

A gift from your church may be forwarded to our State Headquarters marked "for the American Bible Society." Individuals also may participate through the annual active membership plan. May we endeavor to "Send The Light" into all dark corners of this earth.

Baptist Children's Homes of North Carolina

An institution of our Baptist State Convention that has been near to the hearts of the churches and people of the West Chowan Association for many years is the Children's Homes. Indicative of this interest was the giving of our churches during the past year. Fifty-nine of the sixty churches of this Association made gifts to the Children's Homes during the year October 1, 1967 to September 30, 1968. The amount given totaled $13,778.57 as compared with $12,003.00 for the preceding year. This represents almost 15% increase in giving to this most worthy cause.

Your Representative will be getting out correspondence to all Sunday School Superintendents and Pastors during this month (October) to encourage full and increasing gifts to our Children's Homes at the time of the Thanksgiving Offering this year. All those in attendance at this annual Association are urged to lead your churches in prayers and interest as well as giving in behalf of our Children's Homes. We are grateful and proud that our state has one of the finest programs of Child Care anywhere in the country. We commend those who lead the institutions so ably and wisely, and we also pledge them our continued deep interest and concern for their significant program of work with children and youth here in our state of North Carolina

Report On the Home of the Ageing

In the past year I have spoken on the Home of the Ageing wherever I found opportunity. I have offered through the Associational Bulletin to go to any church and present the Home of the Ageing, but very few invitations came. Please remember that I shall be very glad to go to your church and take the entire service. I combine the presentation with a sermon. I feel that it is very much worthwhile.

My special project for the past year has been the matter of collecting books for the Home at Hamilton. May I make another plea right now. If you have a book that is suitable please bring or mail it to me in Ahoskie and I shall see that the home gets the book. I have received thirty-five books so far but we ought to give many more.

When I visited the home I found some of the happiest people I have seen in a long time. They looked like they were happy and they said they were happy. I am happy to have a part in helping such a great service.

Baptist Hospital

The cost of hospital care continues to rise. The number of persons who are unable to pay for the life-saving essential hospital care which they receive continues to increase. Because of its own financial responsibilities, your Baptist Hospital at Winston- Salem has had to limit its charity work to the funds provided for this purpose. The primary source of these funds is the Mother's Day offering.

On Mother's Day, May 12, 1968, our churches were asked to increase their gifts 20% over last year's gifts. The September, 1968 hospital report shows the 1968 gifts compared with the 1967 gifts in the West Chowan Association as follows: 27 churches increased their gifts; 16 churches decreased their gifts; 12 churches gave the same amount; and 5 churches gave nothing. Our 1967 gifts totaled $5,084.01. Our 1968 gifts totaled $4,830.90. So, we gave $253.11 more in 1967 than we did in 1968. Let's do better during the coming year. Many persons seriously need this healing ministry, but many cannot afford it. May we serve God and our fellow man generously.

1968 Report of the Biblical Recorder to the Association

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers and other factors are creating hardships for many publications.

Your Biblical Recorder is not immune from some of these problems, but there is a brighter side to its ministry. In January, the Recorder had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new record in the past year, a healthy gain was noted.

There is every indication that the Recorder is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The Recorder runs well over 200 letters a year, many of them expressing strong feeling on a variety of subjects. Baptists are individualists and since this is a part of our heritage, the Recorder is glad to receive letters on the issues facing Christians today. There must be communication among Baptist and the Recorder is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people do not get the Recorder. Although hundreds of churches send it to every home, there are too many churches that do not have it in their budget, and some churches which do not have any one receiving it. Interest and a little work can mean the difference in how well we are informed about our Baptist work. Try it and see. There are now 50 churches with the Recorder, 12 churches without, and 15 churches with the club plan. The total number of subscriptions are 1,628.

Speaking the truth in love is the goal of the Recorder at all times and being informed Baptists should be our goal in this association. The support of all West Chowan Baptists is needed in carrying out this objective.

Brotherhood Report

Our Associational Brotherhood has little to report this year, due to a complete change of officers, and the new program for our churches and our association. Brotherhood work has one emphasis: Mission. Every "Baptist Men's" Group has a "Mission Study Leader," and a "Mission Action Leader," and every meeting of the men centers around the study of missions and/or a report of mission activities. Several of our groups of our churches have conducted services in Nursing (or Rest) Homes, jails, reformatories, and other places, as well as cooperating with others in hospital visitation plans.

"The Brotherhood" is the general name of the men's work, but in the smaller groups they are called "Baptist Men," "Baptist Young Men," and "Royal Ambassadors." "Baptist Men" have five officers for each group: a president, a vice-president, secretary, and a "Mission Study Leader" and a "Mission Action Leader." Every church should have a "Baptist Men" group, and every church should be concerned about the boys, from age six through eighteen.

On Tuesday, November 19th of this year, there will be a "Laymen's Conference on Ministry and Missions" at the Ahoskie First Church beginning at 7:30 p.m. We hope that every church will send a group of men to this meeting so that they may learn how to serve the Lord more faithfully and fruitfully.

Report On Chowan College

Chowan College is in her 121st year of offering quality higher educational opportunities—within a Christian context and based upon Christian presuppositions—to the youth of northeastern North Carolina, southeastern Virginia, and other sections of the State and Nation. Enrollment for the 1968-69 academic year (fall term) is 1,326. Of this total, 165 reside in the three-county area served by the Baptist churches of the West Chowan Association.

In September of this year the college dedicated a new library facility and a new hall for the fine arts. The addition of the new library—equipped to seat up to 400 persons and to house a maximum of 100,000 volumes—has now provided students and faculty with a reading-research facility which is modern, efficient, and comfortable in every respect. Upon recommendation of the Board of Trustees, the library has been named to honor Dr. Bruce E. Whitaker, President of Chowan College since 1957.

The fine arts building replaces the old Stone Cottage as the center for studies in music. Its completion has enabled the college to expand its offerings in instrumental music, to anticipate the offerings of courses in areas of the visual and plastic arts, and has provided a facility much more conducive to class and practice sessions. This facility has been named to memorialize the late Jeanette Snead Daniel, popular professor in the music department in the latter years of the nineteenth century.

The students, faculty, administration, and Board of Trustees continue to be appreciative of the encouragement and support accorded by the Baptist churches of the West Chowan Association—and, indeed, of all the Baptist churches in our State. As the college continues its present program of strengthening academic offerings and expanding physical facilities to meet current needs and demands, it continues to covet the prayers, interest, and support of all friends of Christian higher education.

Constitution Committee

Brother Moderator, other esteemed guests, and Messengers:

Some of the items which were discussed in preparation for this progress report are as follows:

(1) The need to study in detail the minutes of the Executive Committee for the past several years—was and is an acute necessity for a complete report. Investigation shows that these records are available for for several years.

(2) An answer to the question of the organization of and function of the Steering Committee of the Executive Committee, their duties, etc.

(3) A job description of each office and a list of duties of each committee along with the combining of some committees. This includes nominating committee and in some instances establishment of permanent committees. This also includes a job description of the Secretary of Promotion.

(4) Changing names of offices to fit the table of organizations of the Southern Baptist Convention and the North Carolina Baptist State Convention.

(5) Wording of the constitution to be consistant with the intent in every case and point.

(6) Kerfoot's Rules of order to be used.

Because of the seriousness of the above stated points we recommend that this report be taken as information and the work of the constitution committee be continued.

All of the above is to be done in accordance with records and under the guidance of the Chairman and Secretary of Promotion.

Evangelism

One day many years ago, the Lord Jesus gave this Great Commission to His followers, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have Commanded you: and, lo, I am with you alway, even unto the end of the world."

Jesus told us what to do, and promised to be with us, but we have failed Him in so many ways. It is true that this Commandment is great, and the task is hard, but He promises to supply our needs.

If we are to do the most effective work for Jesus, we must be filled with

the Holy Spirit, and be led by the Spirit. To me, this is the greatest need today. Many Spiritual Problems would be solved, if this were true in the Churches of our Association.

For the past year, many of the churches in our association put forth efforts to win souls for Jesus. Revival meetings were held and numbers of people responded to the Gospel. Even though this was done, there is so much more work to do. So many of the people have not been reached for Christ.

Last year the Evangelism Committee did the following things. First, a Christian Film, "The Shadow of the Boomerang," was shown at Galatia Baptist Church on Monday night, April 8th., and at the First Baptist Church, Ahoskie, on Tuesday night, April 9th.

Second, on Tuesday, October 8th, a Conference on Evangelism was held in the First Baptist Church, Ahoskie. These meetings proved to be helpful to those who attended them, but the crowds were small.

Since we are urging the churches of the West Chowan Association to cooperate in the Crusade of the Americas, and because we are planning Simultaneous Revivals on April 6-20, 1969, the Evangelism Committee thought it best not to plan for a Christian Film in the Spring. The committee hopes that more churches will cooperate in the Crusade of the Americas, and will plan revivals in April. Only seventeen churches have promised to enter the Crusade, so far. The Evangelism Committee desires your cooperation in these matters.

Executive Committee

Most of the Executive Committee's report will be given by the chairman of the various sub-committees.

However, the following matters were the direct concern of the whole Executive Committee: (1) After an increase in the cost of presenting the "Baptist Hour" on radio, an investigation by a special committee, and discussion over a period of time; the Executive Committee voted to discontinue the sponsoring of the "Baptist Hour." This was effective as of January 1, 1968. (2) After the destruction of Ashley's Grove Baptist Church by fire, the Executive Committee voted to encourage all churches in the Association to take a "Love Offering" for Ashley's Grove. This action was taken in the January 1968 meeting. (3) Upon the request of the Secretary of Promotion the Executive Committee voted to buy a new mimeograph machine for $280. This action was taken in the January meeting. (4) Upon the recommendation of Stewardship-Finance Committee the Executive Committee voted the appointment of a special committee to investigate the possibility of purchasing the Dailey Cottage at Ridgecrest and an associational campground. This action was taken in the April meeting. (5) Several recommendations of the Nominating Committee involving personnel changes were approved by the Executive Committee throughout the year. (6) The Association Budget for 1968-1969 as recommended by the Finance Committee was approved, subject to final approved by the Association in its annual session. This action was taken in the October meeting.

History of Meherrin Baptist Church

Although Baptist historians have set the year 1729 as the first organized church at Meherrin, it is certain that a number of Baptists or Dissenters were living here and meeting many years prior to this date.

This brings us to the period of Joseph Parker and the 1729 organized church, first called Parker's Meeting House. After the death of Joseph and William Parker, the Association met in September 1794, at Sandy Run. It was at this time that the church was referred to as the church at Meherrin. This was while the church was under the pastorship of Rev. Lemuel Burkett; and at this Association, the church at Meherrin was accepted into the Kehukee Association. In 1796 the Association met with Meherrin and reported forty-seven in communion and three baptized. A short period of stagnation occurred and in 1798 only sixteen members were reported. Shortly after 1800, Rev. Lemuel Burkett returned from Tennessee and Kentucky with a glowing account of revival in those states.

In 1803, the month of August, a session of the Bertie Union Meeting was held with Meherrin and it was supposed there were 4,000 people present. While Rev. Lemuel Burkett preached from a stage erected in the grove, Rev. Robert Murrell was preaching within the building. It was a great day with many converts and in the year, 1804 Meherrin reported 62 baptized and 240

members. The next year, 1805, the membership was 280 with 66 baptized.

In 1804 the Kehukee Association met with Meherrin Church and it was on this occasion that Rev. Martin Ross called up the resolution which led to the first general organization of the Baptists of North Carolina. At this meeting on the 6th day of October, 1804, "it was declared to be the duty of the Association to engage in sending the gospel to the heathen." Meherrin had the honor of being the birthplace of the North Carolina General Meeting of Correspondence, which, subsequently, was merged into the Baptist State Convention. In 1842 the Baptist State Convention held a memorial meeting with Meherrin Church honoring the formation of the State Convention.

Meherrin Church has the honor of having been the Mother of most Baptist Churches in Bertie, Hertford, and Northampton Counties, with other churches in North Carolina and Tennessee established by her missionary sons.

The first church at Meherrin was erected about 1735 from hewn logs and was 20 by 25 ft. It was rebuilt in 1775 and 1802. Again it was rebuilt in 1826 and 1842. In 1914-15 a new church was erected from molded sand blocks and served magnificently until the present church was completed in August 1952. The past one hundred years have seen Meherrin send many able Christians out to new fields. The pastors have served faithfully and diligently. Under the evangelistic tenure of Rev. John M. Duncan, beginning in May 1929, the church experienced a strong spiritual growth. Rev. Duncan perhaps baptized more converts into the denomination, during his evangelistic preaching years, than any pastor we know in North Carolina.

The list of pastors and their period of service is too long for listing; therefore only those serving since 1920 are listed.

Rev. J. P. Bennett, Jan. 1920-March 1921; Rev. H. G. Bryant, April 1921-Dec. 1925; Rev. B. Townsend, Dec. 1925-April 1929; Rev. J. M. Duncan, May 1929-Nov. 1953; Rev. Jarvis Teague, Jan. 1954-Sept. 1957; Rev. Milan Johnson, Oct. 1957-Sept. 1958; Rev. Cecil Edgerton, Oct. 1958-April 1959; Rev. John D. Davis, Aug. 1959-.

Old Meherrin Church under the able pastorship of Rev. John D. Davis continues to promote Christian Education, sending her sons and daughters out to lead the exemplary life and perform faithful service under the guidance of the Holy Spirit.

History of Riverside Baptist Church

On September, 1913, a meeting was called at the school house across the road to organize a new Baptist Church. Rev. J. O. Alderman was elected to serve as Moderator and Rev. S. Barnes as clerk. Brethren T. A. Perry and J. D. Evans of Bethany, and J. D. Lawrence of Ross Baptist Churches was appointed to act as a presbytery to make recommendations. They reported and recommended the formation of a new Baptist Church. A call for members was requested and they came from the churches of Capeharts, Bethany, and Colerain. Brother H. H. Farless of Bethany, Brother C. C. Holder of Colerain, and S. B. Adams of Capeharts (former deacons in their respective churches), were appointed to serve as deacons in the new organization.

Suggestions for a name of the new church was requested. Mrs. Dora Corbett, who was living near the Chowan River, recommended it be named Riverside. It was accepted and adopted by the congregation. Rev. J. O. Alderman was called to serve as pastor.

Now a word about the old building that has been removed. The first auditorium was built in 1914. This was enlarged in 1919-20 under the leadership of Rev. Herman Barnes then pastor. While Rev. E. E. John was pastor,

he recommended that we build a new church. This was continued under the pastorate of Rev. L. R. Cambell. The church was built and completed in the closing months of his work here. The dedication services were held on January 8, 1967 with our present pastor, Rev. Coleman Thomas, Jr. officiating.

Following is a list of the pastors that have served the church since its organization:

J. O. Alderman, S. B. Barnes, J. Herman Barnes, A. Finch, H. G. Bryant, E. Y. Poole, R. L. Bolton;

J. M. Dixon, D. E. Bobbitt, A. P. Mustain, R. T. Green, R. L. Trexler, E. E. Johns, J. R. Puett, L. R. Cambell.

Rev. Coleman Thomas, Jr. has been serving since June 1966. These pastors served the church faithfully and loyally and under some of them much progress was made towards building a stronger organization.

While we are grateful and thankful for the accomplishments of the past we must now look to the future with greater zeal and courage, and consecrate our minds and hearts on the worship, praise and adoration of our Lord.

Library

The West Chowan Association Librarians held two meeting during the 1967-68 church year. The April meeting was held in the Ahoskie First Baptist Church and the meeting in August, in the Riverside Baptist Church, with our Associational Moderator present.

Three members attended the workshop held in Williamston.

We are pleased to report that we are to be included in the 1968-69 budget. Also, the National Library Week will be included in the Calendar of Activities. This is an excellent time for opening a new library in your church if you do not have one.

Twelve of the twenty-five churches reporting libraries have been visited. Presently, we have one inactive library, one new library, and one in the planning stage.

Mrs. R. C. Mason, Jr,, Chairman

Missions Committee

The Missions Committee considered its primary task for the past year to be that of finding the mission needs within our associational boundaries and leading the local churches to meet these needs in a coordinated effort.

In order to find the mission needs several things were done. First, letters were sent to all pastors asking for information on what the churches they served were doing in the area of local missions. Second, the institutions in our associational area were contacted, asking what services they thought would be of benefit to the persons in their respective institutions. (These institutions are correctional, nursing and rest homes, and hospitals.) Third, pastors serving churches around these institutions were called together to discuss with the chairman of the Missions Committee the needs they saw and how to best meet them.

As a result of these "fact finding" endeavors the Missions Committee will seek to lead some of our churches to give assistance to churches already involved in the ministry to Potecasi Nursing Home and Odom Correctional Institute. The other institutions seem to be adequately ministered to. There seems to be one exception to this which your Missions Committee is presently checking on.

It should also be noted that this summer some of our laywomen under

the leadership of our Secretary of Promotion went to Camp LeJeune area to help conduct Mission Vacation Bible Schools.

It is the feeling of the Missions Committee that it would enhance our mission work greatly if some means were devised by which at least some of the members of the committee would be called on to serve for two or more years so a continuity of knowledge of the work would be possible. This not being true this year handicapped the work greatly.

George F. Turner, Chairman

Music Report

The Associational Music Program is the plan by which the churches in the association support each other and obtain outside resources for reaching their goals in three church program areas: teaching music, training musicians, and providing music.

There are three basic reasons why our association needs an Associational Music Program.

First, we have churches which are not able to accomplish all the tasks of teaching music, training persons to lead, sing and play music, and providing music in the church and community. Some of these tasks our churches can do but perhaps all of our churches cannot provide for every task.

Second, there are churches which have resources for a wider ministry than can be performed within their own fellowship and community in the areas mentioned.

Third, most churches need a plan so they can cooperatively channel their own resources or appropriate outside resources for a stronger ministry in these task areas.

How does the associational music ministry assist our churches? The music ministry of the association can assist the churches to establish a music council, choirs — children, intermediate and adult groups. The Associational Music Ministry can assist in conducting choir festivals, music clinics and music schools that will involve choir members and local music leaders as well as other interested church members in a learning experience. Our association has had several such schools.

Basically, the association can assist the churches to enlarge and improve their music programs.

The Associational Music Ministry has four tasks and these tasks pretty well sum up how the association can assist the churches.

1. Provide information
2. Conduct church music projects for groups of churches
3. Provide music leadership training
4. Provide personal assistance.

Tom M. Jones, Chairman

Secretary of Promotion

This has been an unusual year in our Association, for during the year there have been many churches without pastors, with the result that there were many vacancies in our associational organizations. Much time and effort has been expended to enlist new workers, plan programs and meetings, and carry out the plans which had previously been scheduled. Much of the time of your associational workers has been spent in committee meetings and personal conferences, as well as teaching and preaching in the churches.

During the year we have also led groups in mission study, for Mrs. Stough and I have had many demands to tell about our mission work in Africa, as we were privileged to visit Ghana, Nigeria and Liberia in 1966, and could give first-hand reports. Your secretary also assisted in ordaining deacons, promoted and planned a "Rural-Urban Missions Conference," assisted in "Brotherhood-Royal Ambassador Leadership Courses, assisted in "Deacons' Conferences," taught study courses, including one on "The Orientaton of New Members," and assisted the organizations in their meetings and conferences.

From our office went out nearly 12,000 issues of "The WEST CHOWAN BAPTIST," as well as countless letters and cards, and other promotional literature. During the year we also drove nearly 24,000 miles to our churches, and denominational meetings including the State and Southern Baptist Conventions, and Home Mission Week at Ridgecrest.

We rejoice in the privilege to serve the Lord in the West Chowan and pray God's richest blessings upon every church and every brother and sister in the Lord with whom we have the privilege to serve.

Respectfully submitted,

Henry W. Stough

Seminary Extension

The West Chowan Baptist Association Seminary Extension Department had a very good year last year. There were 60 adults enrolled in courses of study in three centers: (1) Music at Askewville, (2) Old Testament at Chowan College, and (3) Old and New Testament at the Ross Baptist Church.

We are off to another good year as plans are developing. There is a center already in session at the Ross Baptist Church. Plans are for a center to begin January 21 at the Cashie Baptist Church. The courses planned for Cashie is Old Testament and Religious Education. Another center is being planned for a Music Course at the Mars Hill Baptist Church in late winter or early spring.

The Extension Committee welcome all invitations from your church if help is desired to begin a center.

Respectfully submitted,
Walter F. Hill, Chairman

Sunday School

The Crusade of the Americas affords the Sunday Schools of our churches a great opportunity to reach the lost for Christ. The Sunday School is best prepared to serve as the evangelistic arm of the church. Through the Sunday School church members can become involved in visitation and personal witnessing through which the lost and unchurched can be reached for Bible study and be led to salvation and church membership.

The Sunday School Department of the West Chowan Association has no great accomplishments to report for the past year, but efforts are being made to lay the ground work for future progress. Our greatest need is for personnel to fill the vacancies that now exist in our Associational Sunday School organization.

The Associational Sunday School Department exists to serve the churches. Its officers are to serve as resource persons to provide information, guidance, and assistance at the request of the local Sunday Schools.

The association-wide services are to be provided for our Sunday Schools this year: (1) the Association Vacation Bible School Clinic on March 27, at the Aulander Baptist Church, and (2) a Teacher Improvement Workshop to be held September 22 and 23 at the Rich Square Baptist Church. Another important event will be the annual Area Sunday School Convention on September 8, 1969, at the Edenton Baptist Church.

Every Sunday School is urged to explore new ways to reach more people for Bible study and for involvement in the Christian faith. This may be done within the existing organization by dividing classes, starting new classes, or moving from a class to a department Sunday School. Investigation should be made to see if there is a need to expand the existing organization to include such departments as Cradle Roll, Extension, or Young People Away.

Sunday Schools should also seek to improve the quality of their program and teaching. This can be done through such projects as Preparation Week, Teacher Training Classes, enrollment in Seminary Extension courses, participation in the planned Teachers Improvement Workshop, and the Attendance of workers at the Area Sunday School Convention and Sunday School Weeks at Fort Caswell or Ridgecrest.

As Sunday Schools improve and enlarge, more people will be reached for Christ, church members will grow in knowledge and faith, and the witness of our churches will be strengthened in our association and through the world.

Ernest Poston

Training Union

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

This has been a good year for Training Union in the West Chowan Asso-

ciation. We assisted in the organization of one new department.

(1) Special projects engaged in include: Leadership School. We had three churches represented in the Junior Memory Work Tournament, one church in the Intermediate Sword Drill Tournament, two churches in the Speakers' Tournament, and two in the Adult Scripture Reading Tournament.

(2) We had one person from our association attending our North Carolina Baptist Assembly at Southport last summer for one of our Training Union assembly weeks.

(3) We have twenty-seven Training Unions in our association with an enrollment of 1554. Our goal for next year is 35 Training Unions with an enrollment of 2,000.

(4) May I urge each of you to study and stay up-to-date with the current Training Union materials, expecially the **Training Union Magazine.** This is essential in order to know what is going on in Training Union Work.

(5) Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

REPORTS

BERTIE UNION MEETING

The Bertie Union, or the Spring Association Meeting, met on April 25th at the Galatia Church, and the theme was "After Revival, Will There Be Growth?" The meeting was called to order by William M. Futrell, Moderator, after which Emmanuel Pegram of Woodland led the singing, and Ernest Purcell of Mars Hill brought the devotions. After the welcome and response, Mr. Pegram brought a message on "Growth Through Bible Study," using Psalm 119 as his text.

This was followed by "Progress Reports": J.N. Baggett told of mission work at The Windsor jail, where he holds services every Sunday, assisted prayerfully and otherwise by the Woman's Missionary Union of Cashie Church. Dalphan Thompson, chaplain of the Odom Correctional Institution, then told of the work there with young men. Joe D. McLean then told of the work of our Baptist Hospital, and how the "Mother's Day" Offering is used to help "service" patients, and not for building needs. Harvey Coppedge gave an interesting report of the "Crusade of the Americas" and Walter Hill told of the progress of Training Union work.

After a hymn, Merrill J. Evans of Ahoskie First, brought a message on "Growing Through Prayer Life," giving his personal testimony of his own prayer life and the benefits received from it. The meeting then recessed to enjoy a meal served by the Mt. Carmel and Galatia Churches.

After a hymn, the afternoon session opened with a devotional message by Daniel Spell of Mt. Tabor and Union Churches, followed by a recognition of new pastors in the Association. Special music was presented by a trio of young women of the Galatia Church singing, "Lord, We Are Able." Graham Elmore of Greens Cross Church then spoke on "Growth Through Personal Witnessing," using Acts 17:22-31 for his text.

A progress report was given on Sunday School work by Ernest Poston, Associational Superintendent, and then the following officers were elected: William Futrell of Rich Square, Moderator; Vice-Moderator, John R. Blanchard of Sandy Run; Secretary, Mrs. Olivia Holloman of Center Grove; Chorister, Robert Wyatt of Severn; Pianist, Mrs. Bruce Lassiter of Potecasi. The resolutions were read by John Peele of Lewiston, and an inspiring solo was presented by William Pollard of Chowan College singing, "I'll Tell The World."

The final message "Growth Through Faithful Stewardship" was brought by Thomas Caulkins of Murfreesboro Church, and the benediction was pronounced by J.N. Baggett of Pleasant Grove Church.

The Bertie Union, dating from 1605, is still presenting inspiring and helpful programs to encourage our churches and our people, and we pray that it may continue to be used of the Lord for many years to come!

Respectfully submitted,

Mrs. Olivia Holloman, Secretary

REPORT OF THE BROTHERHOOD DEPARTMENT

Our Associational Brotherhood has little to report this year, due to a complete change of officers, and the new program of our Churches and Association in Brotherhood Work which has one emphasis, MISSIONS. Every Baptist Men's Group has a "Mission Study Leader," and a "Mission Action Leader," and every meeting centers around the study of missions and/or a report of mission activities. Several of our groups have conducted services in Rest (Nursing) Homes, jails and other places as well as cooperating with others in hospital visitation plans.

This year we have a complete list of new officers, who are: Director, William Raleigh White of Askewville; Associate-Director, James Barnes of Galatia; Baptist Men's Leader, Melvin Overton of Center Grove; Baptist Young Men's Leader, Ben I. Mann of Roberts Chapel; Royal Ambassador Leader, John R. Blanchard of Sandy Run; Secretary, Robert E. Williford of Lewiston.

Every church should elect a "Brotherhood Director" so that these officers can contact them about the work of Baptist Men and Royal Ambassadors in their own churches.

On March 24th there will be a "Baptist Men's Rally" at the Sandy Run Church. On September 15th there will be a "Mission Rally" at the Ahoskie First Church, for Baptist Men, Baptist Young Men and Royal Ambassadors and any other interested laymen. We hope that all of our churches will encourage their men to attend.

Respectfully submitted,
William Raleigh White, Director

1. We recommend that each church contribute at least $1.25 per resident member toward financing the Associational Program for 1970.
2. We recommend that the Association make application to the Baptist State Convention for the supplement to the salary.

REPORT ON CHOWAN COLLEGE

Chowan College owes a great debt to the Baptists of the Roanoke-Chowan region. It was the vision and dedication of a group of ministers and laymen associated in the old Bertie Union which gave her birth. It was this same group-fortified with numerous pledges of support from their fellow Baptists-which led the Chowan Association to establish and to support this "school of high order." The churches of the West Chowan Association continue to be the most ardent supporters of her educational program, above and beyond their support through the Cooperative Program.

The current academic year-the 122nd in Chowan's history-witnesses the continuing effort to consolidate and strengthen our resources and facilities. "Quality" remains the key word in our vision of what a Christian institution must be if it is to maintain its role on the higher educational scene. To this end, the addition of faculty members-with the best possible preparation for and proficiency in classroom instruction-is viewed as an attempt to strengthen curricular offerings, reduce the faculty-student ratio,, and afford greater opportunity for guidance and dialogue. An expanded program in the area of student personnel services is intended to underscore and fortify the religious and social development of the individual student. The construction of a 280-bed residence hall for men (scheduled for occupancy in September 1970) will enable the college to remove students from crowded and/or inadequate facilities which are currently in use as residence halls. The construction of a science building is a MUST for the near future, since Green Hall (the present science building) was originally envisioned as a facility to accommodate a student body of 300!

The geographical area served by the churches of the West Chowan Association continues to furnish a significant percentage of the students enrolled at the college each year. Our desire is to serve more of these students-especially those from Baptist homes and churches of the region. Your assistance through acquaintance with the programs of the college and through "selling" YOUR college to YOUR youth will be greatly appreciated.

Finally, the COST OF HIGHER EDUCATION-BEYOND WHAT THE STUDENT ACTUALLY PAYS IN TUITION AND FEES-CANNOT BE OVER-EMPHASIZED! Bridging

this gap between what the student pays for an educational opportunity and what the college expends to afford it continues to rest with the friends of Christian higher education. The Chowan College community would urge the churches of this Association to keep informed about all efforts to aid those students who wish to attend a private and/or church-related college; to explore and encourage the possibilities of aiding higher education through gifts, bequests, and wills; and to maintain-at the very least-your current level of support and concern.

EXECUTIVE COMMITTEE REPORT

Most of the Executive Committee's report will be given by the chairmen of the various sub-committees.

However the following matters were the concern of the whole Executive Committee:

(1) In the January meeting the Executive Committee voted to change its meeting time from the second Sunday afternoon of each quarter to the last Monday night of each quarter and that the sub-committee cease meeting during the Executive Committee Meetings, and each sub-committee chairman call his committee together as needed.

(2) Also in this meeting it was voted to designate $100.00 a month of the Sec't. of Promotion's salary to Variable Annuities, under his name.

(3) In the April meeting the Executive Committee, upon the recommendation of the Program Committee, voted to have a Book of Reports containing all the reports of departments and agencies be used at the Annual Associational Meeting and that the Committee on Constitutional Changes present its report to the Executive Committee on Sept. 29, 1969, before the Annual Associational Meeting.

(4) A request by the Finance Committee that it meet with the clerk and seek with him the cheapest means of getting the minutes printed was granted in the same meeting.

(5) The final business in the April meeting was a vote to give each church ten copies of the minutes; or more, if requested on the church letter to the association.

(6) In the July meeting the appointing by the moderator of a Special Membership Committee to study the entire question of membership of churches in the Association and report back to the Executive Committee, was approved.

(7) In the September meeting the Executive Committee approved a recommendation by the Missions Committee that a World Mission Conference for Spring of 1972 be proposed to the Association in the Annual meeting.

(8) Also in this meeting, as called for in the constitution; the Finance Committee presented a proposed budget for the Association in 1969-70 and the Committee on Constitutional Changes presented the report it would bring in the Associational Meeting.

Coleman Thomas, Moderator
George Turner, Clerk

REPORT OF THE COMMITTEE ON EVANGELISM

The Committee on Evangelism had a meeting early in the year of 1969 and decided not to show a Billy Graham Christian Film in the spring as it has done for the past three years, but to urge all churches in our Association to cooperate in the "Crusade of the Americas" during the month of April. Thirty of the sixty churches reported that they would cooperate in the Crusade Revivals. A complete record of the results of these meetings has not been received by the Evangelism Committee, but seventeen of the thirty churches reported 108 additions, 81 for baptism, and 27 by letter or statement. The other 13 churches did not report.

The Committee had planned a "Prayer Retreat" at the Connaritsa Church on April 1st in preparation for the revivals.

In the interest of evangelism in our Association, a Conference on Evangelism was planned for October 6th and 7th. Several announcements were made, meeting places were scheduled, and speakers were committed to come, but because of unfortunate circumstances the conference was cancelled.

Evangelism is a very important matter for the Christian. God help us to let the "Fire" of Evangelism burn in our hearts. If this fire goes out, many souls will spend eternity in the "Lake of Fire."

May we have more of the love and compassion of Jesus which caused Him to say, "For this cause came I into the world."

HISTORY OF RICH SQUARE BAPTIST CHURCH

In 1853 some members of Sandy Run Baptist Church, Roxobel, North Carolina, who were living in and around Rich Square, decided that it was wise to build a church near Rich Square. After much prayer and discussion Corinth Baptist Church was organized in 1853. The following summer it was built about three-fourths of a mile south of the Rich Square Post Office. It was then dedicated on October 26, 1854.

The charter members consisted of 20 white members and 10 Negro slaves. The white members were: John Vann and wife, Bryant Lassiter and Penelope L. (his wife), Thomas Boners and wife, William Ikiles, Joel Conner, James Whitehead and wife, Everette Magette, Rebecca Blythe, Elias Bracy, James Burkett and wife, Matthew Brewer, Stephen Lassiter, Mary Vann and Drewey Blove. Slave members were: Martha, slave of Lemuel Bowen; Anja, slave of Everette Maggette; Peggy Pope (master not recorded) who remained a member many years after all other Negroes had joined a church of their own color). Hannah and Gavinia, slaves of Bryant Lassiter; Ely and Amy, slaves of John Vann; Liza, slave of John Pledges; many slaves of Turner Lambertson; Harvey, slave of Edmond Jacobs; Ransom, slave of H. Spivey.

Among one of the first members was John B. Ricks, and wife. He was the first Post Master of Rich Square.

In the first minute book on page one is recorded a list of soldiers killed in the Civil War. On the second page is recorded a personal history of Joel Conner. The third page records membership, listing male and female slaves and their masters. On the fourth page are the Church Covenant and the Church Decorum, which were read quarterly at conference.

Delegate John Vann attended the meeting of the Chowan Association in 1855 and took the first Home Mission Collection to the Associational meeting.

Preaching services were conducted once per month on Sunday A.M. On Saturday afternoon previous a sermon was preached followed by Conference. Attendance at Conference was required and non-attendance was explained only by valid excuses or else the members were expelled from "full fellowship." At the Conference members were required to give an account of their living. If the church rules were broken, such as non-payment of honest debts, contention with a brother or sister, dancing, card playing, gambling, selling on Sundays, shooting for a turkey, a beef, etc., forgiveness had to be sought and granted, or else the member was expelled from the fellowship of the church.

A Prayer Meeting was organized in 1856 and meetings conducted on the first Sunday afternoons in each month. In 1856 a Singing Class was organized and a Singing Master employed for the summer months with meetings on each Sunday afternoon.

In 1856 Elder Hoggard conducted a Revival for two weeks and a purse of two dollars was presented to him.

The doors of the church were opened each preaching Sunday. Baptismal Services were conducted at Edmonds Mill.

In 1866 the members were assessed by a committee who had to consult the tax-books and then assess the members accordingly. The minutes of these early years give emphasis on "payment of dues." One statement reads thus: "If a man is able to pay to the church and does not, he is to be excluded."

From the minutes dated April, 1890, J.L. Bolton, Church Clerk: "A Conference was called on the third Lord's Day morning in April, 1890, for the purpose of discussing the question of moving Corinth Church to the village of Rich Square." The matter was left to a committee of six: W.H. Farmer, Chairman, J.R. Leake, Albert Vann, W.E. Clifton, H.E. Peele and W.A. Barber. The matter was discussed pro and

con until May, 1891. Then the matter was brought before the church a second time. When the vote was taken, 28 members voted to move and 18 opposed. (Some did not vote).

A committee was appointed to secure a lot in the village of Rich Square. This committee recommended that a tract of land be purchased from Mrs. Virginia Camp Futrell. The church in Conference voted to buy the land. A building was erected, consisting of the Sanctuary and two small classrooms in the rear. In 1892 the Corinth Church moved to the present location. The minutes read: (April, 1892) "We will move our worshipping place to Rich Square at our next meeting. Signed, J.L. Bolton, Clerk." (Mr. Bolton was Clerk and Treasurer of Corinth and Rich Square Baptist Churches for thirty-five years.)

The moving of the church to Rich Square was not unanimous. The records say that some of the members withdrew and joined other churches. A few remained at the old church and worshipped there for a while under the pastorate of Hersey Parker. Interest died and the doors were closed. The building was sold to the Negro Methodists who erected a house of worship on the site.

Archibald Cree served as first pastor of Rich Square Baptist Church from 1892 to 1897. W.E. Clifton was the first Sunday School Superintendent. A Ladies Aid Society was organized in 1892. They gave the first silver communion service to the church. Later Mrs. E.L. Barber gave to the church one individual silver communion server. The church completed the set.

Rev. J.A. Speight followed Rev. Cree as pastor and served from 1897 to 1901. Rev. E.J. Harrell served as pastor from 1902 until 1906. Rev. John F. Cale served as pastor from 1907 until 1918. During his ministry wings on the church were added. The rooms were completed in 1914. Rev. E.L. Stevens followed next. He was a student at Wake Forest College and served only a few months.

During this period a pastorium was built adjacent to the church. Land was purchased from Mr. and Mrs. W.P. Benthall. The small lot adjacent was later purchased from the Benthall heirs. The pastorium was completed in 1921.

Rev. Jesse Blalock followed Rev. Stevens and helped complete the pastorium. Rev. C.M. Billings and Rev. R.M. Von Miller followed next as pastors. Rev. W.V. Tarleton became pastor in 1931. During his pastorate the Sunday School annex of eleven rooms was built with kitchen and dining area. A new choir loft was built and the sanctuary redecorated.

In January, 1946, the church voted to build a new building rather than to remodel the building in which they were then worshipping. On April 17, 1949 the church in Conference voted to begin the building of a new church. On the fourth Sunday in June, 1949, the corner stone was laid with impressive ceremonies. The sermon was preached by Rev. Oscar Creech of Ahoskie. Rev. T.N. Cooper was serving as pastor when the building was completed in 1951. In June 28, 1953, a Centennial Service was held in the church and the message was delivered by Dr. M.A. Huggins, Executive Secretary of the Baptist State Convention of North Carolina. Rev. C.W. Kreamer served as pastor after Rev. Cooper and resigned January 26, 1958. Rev. R.L. King was pastor until 1960 and then Rev. Fred A. King served until January 1965. Rev. L. Thad became pastor in June 1966.

In writing the history of a church one's conviction is reaffirmed that the church is a living fire, motivating people to action. "The legacies of the past steady present leadership in face of the opportunities the future offers."

A BRIEF HISTORY OF SANDY RUN CHURCH

Sandy Run Church, the oldest church in Bertie County was the fourth established church in North Carolina. Its earliest location was not far from the town of Roxobel somewhere in the vicinity of Bishop's Mill Pond.

Due to lack of records, the date of organization and records of organization are not definite. One record states that Sandy Run was formed about 1740 from a branch of the Meherrin Church of Hertford County and during the next decade was closely associated with the Kehukee Church that was located across the Roanoke River. In 1750 Sandy Run was established as an independent church.

Like other Baptist Churches established in North Carolina before 1755, Sandy Run was originally a General Baptist Church - one that adhered to the Arminion or Free-Will doctrine.

During its early years, the members of Sandy Run Church seemed to have been disorganized and often pastorless. There is no record of the first ministers. The earliest minister of whom there is recorded evidence was Thomas Pope, a native Virginian.

During the 1750's the General Baptists of North Carolina began to feel the influence of the Particular Baptists, a group that adhered to the Calvinist doctrine, a more rigid doctrine than that professed by the General Baptist. Due to the warm missionary zeal of Robert Williams of Northampton County and representatives of the Philadelphia Baptist, Sandy Run was re-established in 1756 under a constitution which adhered to the beliefs of the Particular Baptists. The church in conference disbanded the organization that previously existed and those who desired to come into the new order were required to come under a new examination conducted with much rigidity.

In 1769 the Kehukee Association was organized with Sandy Run Church as one of the original churches of that association.

After the death in 1772 of its pastor, James Abington, Sandy Run Church fell into disorder, its membership was greatly reduced, and division took place. A few faithful members asked the Kehukee Association in 1773 to investigate the situation. This investigation ended with Lemuel Burkitt, one of the association's representatives and a native of Chowan County, as minister of Sandy Run. Under the guidance of Elder Burkitt, the church witnessed a great revival and membership rose to 217 in 1777. A branch of Sandy Run gathered near Potticasy, Connarista, and Pleasant Grove in Hertford County. Each unit eventually became a separate unit.

During the Great Revival at the beginning of the nineteenth century, Elder Burkitt preached with great acceptance at revivals in Kentucky and Tennessee and at home in the Kehukee Association. Congregations numbering as many as 4,000 were present to hear him preach.

In 1806 all churches of the Kehukee Association that were east of the Roanoke River were dismissed by letter to form the Chowan Baptist Association. Thus Sandy Run was a member of the new organization. Elder Burkitt was largely responsible for Sandy Run becoming one of the outstanding churches during the later 1700's and early 1800's.

Sometime between 1803 and 1821 Sandy Run Church was moved from its first location to Sandy Run on the Northampton-Bertie Boundary about a mile from the town of Roxobel. In 1854 it was moved to its present site in the town of Roxobel. In the same year the Rich Square Church was formed by members from Sandy Run.

The year 1883 saw Sandy Run join the West Chowan Association and the Lewiston Church cut off from Sandy Run. In 1898 24 of the church members were dismissed by letter to form a church at Kelford. Part of the congregation at the Aulander Church were former members at Sandy Run.

On July 24, 1936 the fine wooden church building was struck by lightening and burned to the ground. Work began immediately to replace it with the brick church which now serves the congregation.

Since its dedication the church has been improved by the addition of two large classrooms in 1954 and bathrooms in 1957. The church-owned parsonage is located in Roxobel. Since 1961 the church has had a full time pastor.

Today with a membership of 367,229 resident members and 138 nonresident members, we have an active WMU with branches of Sunbeams, Junior and Intermediate GA's and YWA's. The RA's have been active since reorganization in 1968. Since 1963 the rotation system of electing deacons has been used. Today the chimes and organ are pleasing additions to our services.

To us here in this community, Sandy Run Church is a reminder of the important part that this area and its people have played in the religious life of Eastern North Carolina. We are proud of our heritage. But at the same time, we know that we cannot live in the past. We recognize that our task is to examine our present situation, find the needs of our people, and listen as God directs us in our tasks.

(The material included in this history from the years 1740-1940 has been taken from HISTORY OF SANDY RUN BAPTIST CHURCH by John E. Tyler. In some cases his words have been used verbatim, in other places his ideas have been paraphrased for briefness.)

REPORT OF THE COMMITTEE ON MISSIONS

The Missions Committee of the West Chowan Association has attempted to be aware of any mission opportunities within the boundaries of our Association; and if any opportunity was perceived to help it.

In our area there are no "dramatic" mission needs and most of the work of missions can be and is carried out by local churches or individuals within these churches. This committee would report (for your information) that individuals and/or local churches are carrying out ministries to the Nursing Homes in Ahoskie, Potecasi,

Rich Square, and Windsor; and to the Windsor Correctional Institution and Odom Correctional Institution. It should be noted that Dalphon J. Thompson, chaplain at Odom, is attempting to build a library there and has asked that books be given to Henry W. Stough, George Turner, or himself for this purpose. (So far, the response has been poor.)

This committee would call to your attention that there are opportunities outside our area for you to work as a volunteer mission worker in a special mission project. These projects include building construction, medical and dental care, evangelistic crusades, Vacation Bible Schools, summer youth camps, etc. If you wish to volunteer, see the Secretary of Promotion or the Chairman of this committee.

(Recommendation). This committee recommended to the Executive Committee of the West Chowan Association in its September 29th meeting that a "World Missions Conference" (formerly called "School of Missions") be held in our Association in the Spring of 1972. The recommendation was approved and will be presented during the Annual Association Meeting for your consideration.

Respectfully submitted,
George Turner, Chairman

REPORT OF THE MUSIC DEPARTMENT

Only one project was carried out by your Associational Music Leadership. A Music Festival was held in Conway Baptist Church, March 21, 1969. Nine Junior and Intermediate hymn players participated, using the 1968-1969 Hymn of the Month selections. Congregational singing of these hymns was also featured. Seven churches were represented, with an attendance of approximately forty.

We would like to be able to speak an optimistic word about the music programs in our churches in our Association, but we must "tell it as it is." The music program is woefully weak in the majority of churches in the West Chowan Baptist Association. This became increasingly evident as we sought to promote the March festival. A number of churches reported little or no youth-playing talent in their groups, and pastors expressed concern over the lack of congregational participation in singing. Some of our churches need to organize graded choirs for children. All of us need to get more spirit into our singing. Congregational singing that drags is "an abomination unto the Lord." We need to realize that we are giving a witness when we sing the songs of Zion.

Our State Convention's "Department of Church Music" is anxious to help us strengthen our local music programs. They have proved this past year that they are eager and willing to provide all possible assistance in Associational Music projects.

Respectfully submitted,
Robert F. Wyatt, Director

REPORT OF THE SECRETARY OF PROMOTION

Missions, evangelism and church training work were the main emphases during the past year with such meetings as an Evangelistic Conference, a "Laymen's Conference on Missions," "The Crusade of the Americas," a "Human Relations Conference," and training conferences and clinics for our churches. Assisting the Associational leaders in planning and promoting the denominational causes and church activities, this has been a busy year for all. We preached nearly 50 times, visited many churches and pastors, helped in eight ordination services for deacons, and had over three hundred individual conferences, forty-five group conferences, and fifty-four committee meetings. Mrs. Stough and I assisted in the "Schools of Missions" in the Caldwell Association, and taught more than 28 study courses in our own Association with most of the churches represented.

Seminary Extension Courses were planned and held, a Vacation Bible School Clinic and a "Teaching Improvement Workshop" were also held to improve our work in the Sunday Schools.

Mrs. Stough and I also attended the "Southern Baptist Program and Planning Conference" in Nashville, Tennessee in December; also the State and Southern Conventions, and the Home Missions Conference in Ridgecrest which has special conferences for Associational "Missionaries." About 12,000 copies of "THE WEST CHOWAN BAPTIST" were sent out, and nearly 25,000 miles were traveled to do this work for you and the glory of God, the extension of His Kingdom, and the

strengthening of His churches.

Our coming years promise to be most eventful and important, in view of the great plans and changes during the 1970s.

Respectfully submitted,

Henry W. Stough, Secretary of Promotion

REPORT OF THE COMMITTEE ON SEMINARY EXTENSION

The Seminary Extension Committee had several "Centers" during the past year, with quite a number of serious students studying that they might learn more, and be better prepared for service in their churches.

Twenty-one were enrolled in the Ross Center when Robert Dills taught the course on music, using "The Beginner Music Reader" and "The Folk Song Sight Singing." Later, this same course and textbooks were used at the Mars Hill Center by Mr. Dills, in February, with sixteen enrolled.

At the Cashie Center during January, Ernest Purcell taught Old Testament 111 using the textbook "Heart of the Hebrew History," and three completed the course. At the same time, Tom M. Jones taught Religious Education 115, using the textbooks "Teaching for Results" and the study guide. Eight completed this course.

Your committee hopes that every church will take advantage of these courses which are offered through your Seminary Extension, for it will enable your leadership and laymen to be more fruitful and effective workers.

We welcome invitations from your church if you would want to have a center during the coming year. We will help you in every way possible.

Respectfully submitted,

Walter F. Hill, chairman

REPORT OF THE SUNDAY SCHOOL DEPARTMENT

The Sunday School Department of the Association provides information, guidance, encouragement and assistance to our churches for the purpose of improving both the quality of their programs and their teaching, and to help them reach more people for Bible study and involvement in the Christian faith.

Four of our workers attended the State Vacation Bible School Clinic at Wingate College, and later led an Associational Clinic at the Aulander Church which was attended by 113 people from thirty-four churches. In September, Approved Sunday School Workers from the State Convention conducted a "Teaching Improvement Workshop" for two nights at the Rich Square Church which was attended by more than 108 workers from fourteen churches.

Next year there will be many changes in our Sunday Schools, in the literature, grading and new concepts of teaching. The emphasis for our Southern Baptists for 1969-1970 is "Living the Spirit of Christ in Belief and Relevance." In order to keep up with the new changes and concepts, we urge our people to attend the "Shaping the '70s" Conference at the Ahoskie First Church on Monday, February 16th; the Vacation Bible School Clinic on Thursday, March 26th at the Conway Church; the Leadership Briefing Conference on August 28th for all Sunday School officers and workers (place to be announced later), and a "Teaching Improvement Conference," September 21st and 22nd. (Places to be announced later).

We close this report with appreciation to the churches, pastors, and dedicated lay-workers from our churches whose assistance made possible whatever was accomplished.

Respectfully submitted,
Ernest Poston, Superintendent

REPORT OF THE CHURCH TRAINING DEPARTMENT

These are exciting days for "Church Training." Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through the Church Training Ministry.

Several of our churches were represented in the Associational Training Convention, and ten Juniors, one Intermediate, and one Adult were represented in the Regional Conference, and several Juniors later went on to the State Tournament at Ft. Caswell Baptist Assembly.

We have 27 Training Unions in our Association with an enrollment of "Ongoing Enrollment" 1,254; New member orientation cumulative enrollment of 86, for a total enrollment of 1,340. From the 27 churches having Training Unions, we receive information from 22 churches.

May I urge each of you to study and stay up-to-date with current training materials, especially "The Training Union Magazine." This is essential to keep up with the changing pattern of the "Church Training Program." Coming important meetings are "M" Night on November 24th at the Murfreesboro Church; "Getting Ready for the '70s" at the Ahoskie First Church on February 16th, and "Youth Night" on March 14th at the Ashleys Grove Church.

Thank you for your prayers, assistance and support during the past year. I pledge you my best during the coming year, and beg you to support and make use of the "Church Training Program" as a means of a more effective Christian witness in your church and community.

Respectfully submitted,
Walter F. Hill, Director

REPORT OF THE WOMAN'S MISSIONARY UNION

The year began with two workshops held at the First Baptist Church, Ahoskie, which was to prepare all officers of every organization for the new program of work. 44 churches out of a total of 57 having organizations, were represented. All Associational Officers held two classes: Mrs. R. Jennings White, Director; Mrs. M.B. Stephenson, Associate-Director; Mrs. Arthur W. Greene, W.M.S. Director; Mrs. J.A. Smith, Y.W.A. Director; Mrs. R.G. Whitley, G.A. Director; Mrs. Robert Wyatt, Sunbeam Director. Mrs. Henry W. Stough led two mission institutes and taught a number of mission classes during the year. Mrs. Clyde Harden and Mrs. Starkey White imparted mission action information to the chairmen representing the churches attending.

Six Executive Meetings were held during the year. Henry W. Stough, Associational Missionary assisted in planning and giving information which was helpful to the Director in aiding the churches through correspondence each quarter.

"My Church and the Crusade of the Americas" was the theme of the annual meeting held in the Ahoskie First Church on April 3rd. Mrs. Henry W. Stough, assisted by Mrs. Donald Berg of Suffolk, led an inspiring devotional. Welcoming remarks were made by Mrs. Eugene Freeman of the Ahoskie First Church to which Mrs. R. Jennings White responded.

Following a vocal quartet rendered by Robert Dills, Tom Jones, Byron McCreary and Thad Prevatte, Rev. Jerry Potter, State Missionary to the Deaf, brought the morning message on "Crusade Through Work With The Deaf," Assistance was

given by Mr. and Mrs. Tom Jones, Judy Mizelle and Len Hale, who demonstrated the sign language by interpreting a song. Billy Mobley closed the morning session as all present entered a "Crusade Through Christian Fellowship," by partaking of lunch.

The afternoon session was opened by prayer led by Mrs. Frank Pearce, followed by Miss Bertie Ann Baggett of Chowan College, a recipient of a scholarship given by the Association, who led in thoughts on the "Crusade Through Christian Education."

The Nominating Committee forwarded the slate of officers with the exception of Mrs. Robert Wyatt, Sunbeam Director, who resigned. Mrs. R.E. Brinkley was nominated, and the slate was duly elected. We were invited to meet with the Cashie Church in Windsor, on April 2nd, 1970.

All organizations increased in number by one, due to the efforts of Mr. and Mrs. J.N. Baggett, who organized all departments of the Missionary Union in the Pleasant Grove Church.

Mrs. Arthur Greene reported 58 W.M.S. organizations, a gain of one. Mrs. J.A. Smith reported 33 Y.W.A.'s instead of 32. She and a young lady attended Y.W.A. week at Glorieta, New Mexico. Our Y.W.A. organizations are classed as an Association and have held prayer retreats, counsel meetings and workshops; 14 members served as counselors in the G.A. Camp, and one served as counselor at Camp Mundo Vista for eight weeks. The Siloam Y.W.A.'s aided in organizing the Y.W.A. at the Pleasant Grove Church.

Mrs. R.G. Whitley reported that G.A. organizations are eligible to have a G.A. Association. The G.A. Camp at Chowan College was a success and the Associational Rally at Conway, attended by about 300, was inspiring and beneficial. 78 organizations were reported this year.

Mrs. Wyatt reported 53 Sunbeam Bands. A Sunbeam Day Camp was held at Chowan College on June 24th, with 60 children attending and 10 adults and 5 Y.W.A.'s assisting in the activities.

With the aid and accomplishments of this corps of officers, the Director is happy to report that the West Chowan Auxiliary is classed as a Distinguished Association.

BERTIE UNION MEETING

The Bertie Union Meeting in the Seaboard Church on April 24th was called to order by the Moderator, William M. Futrell. The theme of this "Spring Associational Meeting" was "The Challenge of the Seventies," and after the opening hymn of "Come Thou Fount of Every Blessing," the devotional was led by Terry H. Jones of the Meherrin Church. After a welcome to messengers and visitors, the moderator appointed the Nominating and Resolutions Committees.

Billy T. Mobley, chairman of the Program Committee introduced the program and the theme of "The Challenge of the Seventies." The first message was on "The Dynamic Church" and was brought by Joe D. McLean, pastor of the Jackson Church, and president of the Baptist Ministers' Conference. Following this, Henry W. Stough introduced the new pastors of the Association, and the congregation sang, "When I Survey the Wondrous Cross." J. Edwin Bullock, Secretary of the Brotherhood Department of the State Convention then spoke on "Baptist Men and Boys in Missions." After the hymn, "O Master, Let Me Walk With Thee," Mrs. Gilmer Cross, First Vice-President of the Woman's Missionary Union of North Carolina, then gave a message on "Baptist Women and Girls in Missions." In the absence of a pastor of the Seaboard Church, Murray Craft of the Bethel-Elam Churches made announcements about the lunch, and then led the benediction and blessing.

In the afternoon session, the devotional period was led by John D. Hemingway of the St. Johns-Holly Grove Churches, and the congregation sang, "Come, Thou Almighty King." A message on "The Church Training Program" was given by Henry W. Stough in the absence of Walter F. Hill, Associational Church Training Director. He was assisted by L. Thad Prevatte of the Rich Square Church. After another hymn Mrs. Daniel M. Spell, Director of Music for the Association, brought a message on "Church Music Plans and Participation," and then, Billy T. Mobley, substituting for Ernest Poston brought a message on "Sunday School Changes in the 1970's."

The Nominating Committee made the following nominations and their report was accepted: Moderator, William M. Futrell of Rich Square; Vice-moderator, John R. Blanchard of Sandy Run; Secretary, Mrs. Olivia L. Holloman of Center Grove; Chorister, R.D. Byrd of Capeharts; Pianist, Mrs. E. Bruce Lassiter of Potecasi.

The Resolutions Committee made the following report, which was adopted by a standing vote:

"Be It Resolved: (1) that we thank the Seaboard Baptist Church for our meeting place for the 1970 Bertie Union Meeting, and for the many comforts provided for our needs, (2) that we thank the Bethel, Elam and Seaboard Baptist Churches for a very delicious meal for the strengthening of our bodies, (3) that we thank the Program Committee and those who served on the program for a very fine session that inspired and lifted our souls, (4) and be it further resolved that we thank our moderator for his services, and the pianist and choristers who provided the music." John R. Blanchard, chairman; N.J. McManus, and Mrs. Reba Long.

Our moderator requested that copies of these resolutions be sent to the Elam and Bethel Churches. The 1971 Bertie Union Meeting will be held at the Mars Hill Baptist Church, with the Powellsville and the Edgewood Churches assisting in the provision of the noon-time lunch.

After a closing hymn "God Be With You Till We Meet Again," the meeting was closed with a benediction by Joe D. McLean of the Jackson Church.

Respectfully submitted,
Mrs. Olivia L. Holloman, Secretary.

REPORT OF THE BROTHERHOOD DEPARTMENT

Our Brotherhood Work is slowly but steadily growing in our Association as we have tried to impress upon our laymen the need to be involved in missions, whether in the local church, our Association, or in world-wide efforts. The whole theme of Brotherhood

Work is missions: to study missions as to the needs of a lost world, and then to find ways that men can help to let the world know about Christ.

Several important meetings were held during the year. One was an Associational Workshop at the Askewville Church on October 2nd, to better acquaint our men with the methods and duties of the members. Luther Osment of the Brotherhood Department; Max Lennon from N.C. State University; Alden Hicks of Oxford; Bob Watson of Apex, and Robert White of Wendell led the five conferences for our "Baptist Men" and "Royal Ambassador Leadership" workers.

"Baptist Men's Day" was observed in many of our churches, even by some of those who did not have "Brotherhoods," as our laymen participated in the ministry of the church. Nearly 40 of our men and boys attended the "Baptist Men's Convention" and "Royal Ambassador Congress" which was held in Fayetteville on March 20, 21.

An Association-wide Rally at the Sandy Run Church on March 24 was well attended, with laymen in charge, and the theme "The Christian in Today's World." After a devotion and announcements, there was the showing of a film "I Don't Want To Get Involved," which was followed by a panel discussion led by Melvin Overton. Members of the panel included Baptist Men's Leaders from several churches. After special music by the Galatia Men's Chorus, Johnny Adkins of the Creech Memorial Church brought a challenging message on "Getting Involved."

The work with boys is called "Royal Ambassador Work," and every church is urged to have some kind of a program which will help our boys. John R. Blanchard, our Royal Ambassador Leader, led a "Conclave" on August 1st, which was followed by several Royal Ambassador outings, such as that of the Askewville Chapter on the banks of the Chowan River, with overnight camping and fishing.

The climax of our year was a "Mission Rally" at the Ahoskie First Church on September 15th, with an emphasis on community, state and foreign missions. Luther Osment of our State Brotherhood Department, and Dr. Rogers M. Smith of the Foreign Mission Board brought challenging messages, and helped us to understand more of the needs of the world, and how laymen can help.

Every church should elect a "Brotherhood Director," who will have charge of all men's and boys' groups. A "Baptist Men" Group, need only to have a President, a Mission Study Leader and a Mission Activity Leader "to be in business." There should also be a "Royal Ambassador Leader." With these minimum requirements, even the smallest church can have a Brotherhood Work. Will you try to start one in your own church?

Respectfully submitted,
William Raleigh White, Director.

REPORT ON CHRISTIAN HIGHER EDUCATION

Higher Education - under the auspices of the Baptist Denomination - found early support among the churches which now comprise the West Chowan Association. That early interest in and support of Christian higher education has maintained to the present. Yet, there has never been a time in our history when understanding, appreciation, and support of the seven Baptist Colleges is needed more than it is needed today.

The North Carolina family of Baptist Colleges - Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate - seeks to provide a quality education within the context of the Christian faith and commitment. While such a task has never been an easy one, it has become increasingly difficult in our age of secularization and attendant secularism. The difficulties which churches face in maintaining spiritual

depth and concern among their memberships are necessarily reflected in the colleges which the churches operate. After all, students and members of faculties are products of these same churches.

Nevertheless, the Baptist Colleges - like those churches which support them - are determined to maintain their essential integrity, both educationally and "Christianly." To this end they covet increased communication with those who support them, continued prayers on their behalf, and increasingly greater financial support in an inflationary period which is without parallel among us.

Chowan College - which is the "daughter" of the West Chowan in a sense unlike that of her sister institutions - reports an enrolment of 1,472 students, 72 full-time faculty, and 13 part-time faculty for the current year, 1970-1971. Her greatest physical need continues to be an up-to-date science-engineering facility. Youth groups from Chowan are ALWAYS ready to assist the churches in our greatest mutual need - the strengthening of personal faith and commitment. Please call upon the college at any time her students may be of service in week-end meetings or special services.

Respectfully submitted,
J. Guy Revelle, Jr.,
Representative, Christian Higher Education

REPORT OF CHURCH TRAINING DEPARTMENT

These are important days in the history of Church Training. Many new ideas, new materials, and a new seriousness to our needs for Christian Training are coming to us through our Church Training Department.

This has been a good year for Church Training in our Association, and more churches are planning on a training program. This year we assisted in the organization of a new department.

Special projects engaged in include three Leadership Schools with 82 enrolled. We had two churches represented in the Junior Memory Work Tournament. Four Juniors were winners in the Association and the Region Tournaments, and three of these became State Winners. They were Lou Simpson of Greens Cross, and Marsha Mitchell and Joy Johnson of the Askewville Church. Joy Johnson was a Fourth Year Winner.

We had 30 from our Association to attend our North Carolina Baptist Assembly at Ft. Caswell last summer for one of our Church Training Conferences.

We have 19 Church Training Unions with a reported enrollment of 1,054.

May we urge each of you to study and "stay-up-to-date" with current training materials. Coming important meetings are "M" Night on December 7th at the Conway Church, and "Youth Night" on March 20th at the Mt. Tabor Church. April 19-23 next year is "Church Member Training Week." We hope that you will plan one in your church.

Thank you for your prayers, assistance and support during the past year. We urge you to support and make use of the "Church Training Program" as a means of a more effective Christian witness in your church and community.

Respectfully submitted,
Walter F. Hill, Director.

REPORT, DIRECTOR OF ASSOCIATIONAL WORK

This past Associational Year was marked by a great change in our Baptist Life, with new approaches and plans, new literature and new age-grouping, new suggestions to widen our ministries to the lost and needy, and new emphases on missions at home and abroad. Even in our Association we faced the "Seventies" with special conferences and plans for the future.

Several of our leaders attended the "Shaping the Seventies" Clinic in Goldsboro, and later on, conducted a "Shaping the Seventies" Clinic in our Association with Sunday School, Church Training, Brotherhood, Woman's Missionary Union, Music and Librarian workers attending. This was done to help our churches prepare for the changes which were to come on October 1st, with new age-grouping and new literature for our organizations.

Other special meetings during the year included a School of Music, a Vacation Bible School Clinic, a Sunday School Leadership Clinic, a Church Member Training School, and an emphasis on Brotherhood Work. Our stewardship is reflected in our gifts to missions, for a recent survey showed that the West Chowan Association was second highest in North Carolina in the percentage of gifts as compared to total receipts with 21.2%. Only one small Association in the west (the Stony Fork), exceeded us in mission giving of the 80 Associations in the state. (1968 figures). Of the total receipts of $838,638, the West Chowan Association gave $177,749. The average for North Carolina was 16.4% or 16 1/2¢ of every dollar.

During the past year we preached or taught more than sixty times, led and helped in twenty-three study courses, helped several churches to ordain deacons, visited in many other churches when not called to preach, traveled nearly 23,000 miles throughout the Association and attending meetings elsewhere, issued nearly 12,000 copies of "THE WEST CHOWAN BAPTIST," helped to plan and promote many of the meetings of our Associational Work, and held innumerable conferences with individuals, committees and groups.

Mrs. Stough and I are profoundly grateful that permission was given for us to attend the Baptist World Congress in Tokyo, Japan, and for the General Board of our Association to elect us as delegates to the Congress. In getting there, we had the privilege of traveling around the world, visiting the Biblical Lands and our mission work in other countries. It was a valuable and an enriching experience, and we shall ever remember it. Since our return we have been invited to several churches to tell about the trip and show pictures.

Our coming years will stress "Living The Spirit of Christ," and it is our hope that we will all dedicate ourselves to live the Spirit of Christ in our lives. The Lord has important work for us to do, and we must be prepared to do it with the knowledge of His Word, the willingness to witness, and the example of Christlike living in our lives.

Respectfully submitted,
Henry W. Stough,
Director of Associational Work

REPORT OF THE COMMITTEE ON EVANGELISM

The report of the Evangelism Committee for 1969-1970 is of necessity made with foresight rather than hindsight. All that could be reported of work done this year on the Association level would be two study-planning meetings of the committee with small attendance at both; and plans for a chartered bus from our Association to the Statewide

Evangelism Conference, February 2- 4, 1970, that had to be cancelled due to the lack of interest and support.

However, we trust that most of our churches in the West Chowan have had successful perennial efforts of communicating the Gospel of Christ that have produced fruit in the redemption of men through faith in Christ and in the growing maturity of the redeemed.

Looking ahead to the new Associational Year, there are at least two things worthy of special notice:

(1) The 25th Annual Statewide Evangelism Conference to be held at the War Memorial Auditorium and coliseum in Greensboro on February 1-2, 1971. The closing session will be Youth Evangelism Night in the Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker.

(2) A new development of potentially great value for the evangelism task of our local churches in some new "help" from our Home Mission Board in the area of "Lay Evangelism." New materials will be available through the Baptist Book Stores about May 1, 1971, that will give laymen new tools for sharing their faith. The new materials will be referred to as "WIN - WITNESS INVOLVEMENT NOW." This approach to personal witness cannot be taught in a one or two night clinic, but rather is designed to be taught in a local church setting where study and actual involvement in witness can be utilized. Hopefully by next spring we will have something definite to recommend to the churches about this program.

In the meantime we will do well to remember that the ministry of evangelism belongs to every Christian. As Mendell Taylor puts it in his book, "Exploring Evangelism:" "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." (pp. 33,34) Let us also remember that our motivation for this vital task is the constraining love of Jesus Christ Who gave Himself a ransom for many.

Respectfully submitted,
Tom M. Jones, Chairman.

REPORT OF THE HISTORY COMMITTEE

The History Committee notes the publication of one history of a local church during the current Associational Year. "THE BAPTIST CHURCH AT CASHIE, 1770 - 1970," by Raymond Hargus Taylor, was prepared and published as a part of the bicentennial celebration of Cashie Baptist Church, Windsor, North Carolina.

Three items of historical note and value have been deposited with the Baptist Collection, Whitaker Library, Chowan College. These are "THE WEST CHOWAN BAPTIST, 1957 - 1965," the monthly bulletin of the Association; "MINUTES OF CHURCH CONFERENCE" of the Murfreesboro Baptist Church, 1842 - 1950; and the records of the Pastors' Conference of the West Chowan Baptist Association, 1914 - 1953. Thus, these items will be readily available to the future historian of the Association.

In the coming year, your Committee hopes to encourage more of the churches to collect and preserve their valuable records from the past. It is only in this way that the source materials essential for the writing of church history can be made available for the present and for the future.

Respectfully submitted,
R. Hargus Taylor, Chairman.

HISTORY OF THE FIRST BAPTIST CHURCH, AHOSKIE, N.C.

Brother Oscar Creech states that the First Baptist Church, Ahoskie, was born out of the twin movements of "evangelism and modern missions." Lemuel Burkitt heard of a revival in Kentucky. He rode horseback all the way to Kentucky to share this spiritual experience. Upon his return to North Carolina, the spirit of revival spread throughout the eastern part of our state.

This church was born out of this new awakening. It was first a mission point of the Meherrin Baptist Church between the years of 1802-1803. In 1804 the mission was organized into a church with 67 members.

Her first pastor was Elder Hillary Morris who was a member of Meherrin until the church was organized in Ahoskie. This first church was received into the Kehukee Association in 1805 and was one of eighteen churches to form the Chowan Association in 1806. It is interesting to note that the first gifts of the church were reported in shillings and pence. This continued until 1813. In the year 1833, the Chowan Association met with the church in Ahoskie for the first time.

The first Sunday School was organized in 1844 with an enrolment of 90. This was during the long and successful ministry of Elder John Nowell.

The first Negro members were reported (32) in 1844. In ten years, the number had grown to 114. In 1854 about half of the Negro members asked for letters of dismission to organize the Pleasant Plains Baptist Church. Most of these were free Negroes.

During the Civil War, Elder B.B. Williams of Mars Hill was called as pastor. During this time, he also served as a Lieutenant in the Confederate Army. At a meeting of the Chowan Association in 1862, he read his report on Periodicals and requested a collection to pay for the Biblical Recorder to be sent to the soldiers in service. He received $38.00.

In 1864 a great revival swept the church and community. During this revival, 113 persons were baptized. This is the largest number ever baptized in one year by this church. Captain J.M.C. Luke was pastor of the church at this time.

The New Negro Baptist Church in Ahoskie was organized in 1866. Of the 115 Negro members, 114 received letters of dismission to organize the new church. In the same year, the Chowan Association met with Ahoskie for the second time.

In 1883, this church was one of 18 to form the West Chowan Association organized from churches in Bertie, Hertford, and Northampton Counties.

In 1889 a post office was established at Ahoskie. For 85 years "Ahoskie" meant only the church. Now there is to be a distinction between church, post office, or town.

Reverend Braxton Craig, brother to Governor Lock Craig, of Bertie County, was pastor from 1890-1895. During his ministry, the church built its first pastor's home. He started the first mid-week prayer meeting.

Under the ministry of Elder J.K. Fant (1896-1897), the first Training Union was organized.

The Association met with Ahoskie for the fourth time in 1899. According to the Recorder, there were between 2,500 - 3,000 persons present.

The first full-time pastor was Rev. F.T. Collins (1919). The church called him for a salary of $1,800.00 and built a new home for the pastor.

The Reverend Oscar Creech was pastor for 26 years and 9 months (January 1925 - October 1951). It was during these years that the church decided to relocate on the

present site and sold the former building to the Presbyterians. The work was begun in 1930, and in spite of the serious depression was completed in 1935. The lot cost $5,000.00 and the building cost $70,000.00. You must remember that money was scarce and labor cheap.

Since the days of Rev. Creech's ministry, including the ministries of Rev. W.P. Milne and Rev. Isaac Terrell, until this day, this church has ranked in the top 25-40 churches in North Carolina in total mission giving.

Under the ministry of Rev. W.P. Milne, the new educational wing was completed in 1957 at a cost of $112,000.00.

At the present time, the church has 1,403 members with contributions of $108,282.00 in 1970. Of this amount $35,369.00 were given to mission causes. The church has a ministerial staff including Billy T. Mobley, pastor; Robert F. Dills, Minister of Music & Youth; and Hugh V. Brinson, Jr., Minister of Education.

Grateful for her past, the First Baptist Church believes her future is as bright as the promises of God.

Respectfully submitted,

of First Baptist Church, Ahoskie"

REPORT OF THE LIBRARY COMMITTEE

The West Chowan Association Library Group considered its task for 1969-1970 one of accepting changes for the "70's." In order to keep up with the new changes and concepts, we were represented at the State-planned meeting in Goldsboro. That meeting was followed by the "Shaping the 70's" Clinic at the Ahoskie First Baptist Church on Monday, February 16th.

We held two meetings during the year. Summer reading clubs, rejuvenated libraries and book repairing were emphasized, with a special emphasis put on serving all the church organizations and its individual members. We urge each library to open for the duration of the Vacation Bible School.

New supplies have been ordered this year and will be available to any church establishing a new library.

Respectfully submitted,
Mrs. R.C. Mason, Jr., Chairman.

REPORT OF THE MEMBERSHIP COMMITTEE

At the request of the Executive Committee of the General Board of the West Chowan Baptist Association on December 16, 1969, the Membership Committee makes the following report concerning the reported irregularities of the Aulander Baptist Church concerning their position of receiving members into their fellowship:

1. In the judgment of this Committee, the Aulander Baptist Church continues to support the "designs, objects and principles" of the West Chowan Baptist Association according to Article 6 of the Constitution.

2. This Committee finds that the Aulander Baptist Church has adopted a position

of receiving members of other denominations that is not accepted by the majority of Baptist churches; however, it is acknowledged that historically and currently, a minority of Baptist churches hold a similar position as that adopted by the Aulander Baptist Church.

3. In conclusion, this Committee makes the following recommendation. Since the majoriy of Baptist churches receive members by believers' baptism by immersion only, it is recommended that the Aulander Baptist Church indicate whether a person has been baptized by immersion when a sister church requests a letter of transfer of church membership.

Merrill J. Evans, Chairman

REPORT OF THE COMMITTEE ON MISSIONS

The committee met at the home of the Associational Director for its first meeting, and tried to look at missions in every area of our Association. Since there are enough churches in this area, the committee decided that there was no need for more churches or missions to be started.

Thoughts were then directed toward the hospitals, but after discussing the matter, it was evident that our pastors and lay-people are already ministering to the sick in them.

There are two Correctional Institutions in our area. One is at Windsor where J.N. Baggett serves as chaplain, and the other is near Jackson where Dalphon J. Thompson serves as chaplain. This is the "Odom Correctional Institution." Regular services are being held at both places by these men, but pastors and churches are urged to assist them in any way possible to bring spiritual help to the inmates. Reports show that some progress is being made in this mission work and the rehabilitation of these men.

There are five Nursing and Rest Homes in the area of the West Chowan Association: the Pine Forest Rest Home, Potecasi; Roanoke Valley Nursing Home, Rich Square; Pinewood Manor Rest Home, Early's Station; Chowan Manor Nursing Home, Ahoskie; and the Winstom Park Rest Home, Windsor. The Missions Committee became interested in these homes and wanted to give spiritual help to those people. When investigation was made in each home, it was learned that already some pastors and churches are holding services in all of them.

Only one has need for more spiritual services, the Pinewood Manor near Early's Station. Mrs. Myers, Supervisor of this home, desires to have more churches to hold services there for the people.

Another important thing that the Missions Committee did during the year was to discuss the plans for a "World Missions Conference," to be held in our Association during the dates of March 12 - 17 and March 19 - 24, 1972. Every church is urged to vote to participate in these mission weeks.

Since missions has such a large place in the heart of God, may we let it have a great place in our hearts and lives!

Respectfully submitted,
Harvey L. Coppedge, Chairman.

REPORT OF THE MUSIC DEPARTMENT

February 16, 1970 we had thirteen of our churches represented at the "Shaping the Seventies" Clinic in the Ahoskie First Baptist Church. We were pleased with these who were seeking new ways to carry on the music program in our churches.

The Regional Choir Festival was held in the Ahoskie First Baptist Church on February 23rd, 1970. Our churches bringing choirs were the Ahoskie First, Center Grove, Union and Mt. Tabor. This was most thrilling and inspiritional to our smaller churches who also were present.

A "School of Music" held at the Askewville Baptist Church on March 16-19 was well attended. We called this our "School of Music" for the churches in Bertie County, and there were sixteen churches represented with a total enrolment of 98. Bob Dills taught a class on "Rhythm" and Jerry Armstrong taught a class for choir directors and church musicians.

Our Committee is doing an excellent job in the West Chowan Association. Each county has a director: Bertie, Mrs. Judy Bunch; Hertford, Mrs. Anne Holloman; Northampton, Carl Witt.

If we can be of service to you, please let us know.

Respectfully submitted,
Mrs. Daniel M. Spell, Director

REPORT OF THE RESOLUTIONS COMMITTEE

Whereas this, the eighty-eighth session of the West Chowan Baptist Association, has been a challenging, inspiring, and informative meeting, giving evidence of having been led by the spirit of God, may it be resolved that we express our deepest appreciation to the following:

1. To the Program Committee and its chairman for the effort made in planning the meeting.
2. To the Moderator, Promotional Secretary, and other associational officers and leaders for their efforts prior to and during the session.
3. To the devotional and inspirational speakers, and to those who provided worshipful music.
4. To all those who served on committees.
5. To the First Baptist Church of Ahoskie, Brantley's Grove, Creech Memorial, Cashie, Green's Cross, and Siloam Baptist Churches for their warm hospitality, their efficient help, and their gracious fellowship.
6. To the messengers whose prayerful and worshipful attitude added much to the orderlines and reverence of the session.

Be it further resolved that we call upon the West Chowan Baptist Association to rededicate ourselves to carrying out the great commission of winning the world to our Lord, Jesus Christ.

Respectfully submitted,
Terry H. Jones, chairman

REPORT OF THE SUNDAY SCHOOL DEPARTMENT

The function of the Sunday School Department is to provide guidance and assistance to our Sunday Schools in their efforts to reach all prospects of all ages in the study of the Bible and in the applications of its truths to daily living.

In January, five of our workers attended the State Vacation Bible School Clinic at Wingate College in preparation for our Associational Clinic which was held at the Conway Church on March 26th with 181 in attendance from 47 churches.

Six of our pastors served as "Visitor-Trainers" to our churches to help them adjust to the new literature and age-group divisions.

On September 21st and 22nd, a "Teaching Improvement Clinic" was conducted at the Aulander Church by approved workers from our State Sunday School Department. There were 163 registered from 34 churches. The books taught were of the "Guiding Series": "Guiding Adults"; "Guiding Youth"; "Guiding Children"; "Guiding Pre-schoolers," and the teachers were John Privott from the North Roanoke Association; Steward Thompson from the First Baptist Church in Cary, N.C.; Mrs. J. Herman Mauney of Maysville, and Mrs. Lester D. White of Gastonia.

Plans for the new year include the Annual Vacation Bible School Clinic at the Colerain Church on March 25th; a Bible Conference tentatively set for September 20th - 24th; and the scheduling for approved consultants for each age-group division, to be available to the churches for conferences upon request. On Monday, September 13th, all Sunday School workers are urged to attend an Area Sunday School Conference in Edenton.

We are grateful to all who assisted in the work of our department and for the co-operation and support received from the Sunday School workers of our churches.

Respectfully submitted,
R. Ernest Poston, Direct

REPORT OF WOMAN'S MISSIONARY UNION

There were two workshops held in Rich Square Church to prepare the officers of interested Woman's Missionary Union organizations for the year's projects. 43 churches of the 58 were reached. Additional help was afforded one extra church which had no representatives present. All directors took part in the conferences of these workshops.

Four executive meetings were held during the year for planning and information was extended through Associational letters mailed to the Director of each church at quarterly intervals.

"Living the Spirit of Christ in the 70's" was the theme of the yearly Associational Meeting which met in the historical Cashie Church in Windsor. Mrs. Jack Powell, Director, and Tom M. Jones, pastor, extended cordial words of welcome. Mrs. R. Jennings White, Associational Director, opened the program by recognizing Henry W. Stough, Director of Associational Work, who introduced the pastors and Mr. Roy Stocks, missionary to Zambia, Africa.

The following churches were recognized for outstanding achievement in W.M.S. work by Mrs. Arthur Greene, W.M.S. Director: Ahoskie First, Elam, Creeksville, Greens Cross, Winton, Woodland and Buckhorn that met the requirements for distinguished W.M.S. organizations. Mrs. J.A. Smith, Y.W.A. Director, reported Creeksville and Buckhorn having distinguished Y.W.A.'s. Greens Cross, Woodland, Rich Square, Galatia, Creeksville, and Buckhorn were listed by Mrs. R.G. Whitley as distinguished G.A.'s. Mrs. Robert Brinkley, Sunbeam Director, reported two Sunbeam Bands of Greens Cross and one from Woodland reaching distinguished standing.

Mrs. White proudly announced that the West Chowan W.M.U. Organization had met enough points to be listed and recognized as a Distinguished Association again this year. This standing requires that the Director attend all State Meetings and Ridgecrest Southern Baptist W.M.U. Conference.

Mrs. Henry W. Stough was recognized and given a standing vote of thanks for her services rendered as Mission Study Chairman. Mrs. Coleman E. Thomas, treasurer, gave a financial report which was accepted. The Pastor's Trio, consisting of Robert Dills, Tom Jones and Thad Prevatte brought a message in song with "Send Me, O Lord, Send Me," and "Blessed Saviour, Thee I Love." Mrs. Leroy Parker, Past-President of the State Woman's Missionary Union brought an informative and inspirational message concerning W.M.U. Work for the 70's.

The afternoon session consisted of a special memorial service given by Mrs. Ruth White of Colerain. Honor and tribute were paid to those W.M.U. members who had passed from this life during the past year. A very timely message by Walter Jones of the Conway Church was then brought, using the 8th chapter of Romans, and challenging

us to live the Spirit of Christ in the 70's, Following this message, Mrs. Sylva Brooks sang, "So Send I You."

The same slate of officers was elected and presented. During the year, Mrs. James E. Branch was appointed as Mission Study Chairman to replace Mrs. Henry W. Stough who resigned because of health problems. Mrs. Peggy Lowe of Murfreesboro kindly replaced Mrs. Clyde Hardin as Mission Action Chairman, and Mrs. Frank Pierce was appointed to serve as Mission Support Chairman.

The 1971 Annual Meeting will be held on Thursday, April 1, 1971 in the Woodland Baptist Church with Rich Square serving as co-host.

The Association chartered a bus through the influence of Mrs. Jay Porter and attended the State Convention in Greensboro. This enabled more women to attend these meetings and has proven popular with the ladies.

We have sponsored promotion of church libraries and a number have been organized and are serving more church members. Mrs. R.C. Mason, Jr., Associational Director of Library Work, has assisted and strengthened these libraries. Good reading material has been made available to the Odom Correctional Institute by a number of churches in the Association.

On September 1st, Mrs. Coleman Thomas, our Secretary-Treasurer, resigned when her husband accepted a pastorate in Garland, N.C. Mrs. Thomas' capable services will be taken over by Mrs. Elsie Lee of Merry Hill, N.C., who has been temporarily appointed until election of officers in April 1971. Mrs. Lee submits the following financial report from October 1, 1969 to October 1, 1970:
